josiahmorgan11

8:34 pm

Me

8:35 pm

josiahmorgan11

8:36 pm

not rn

Me

8:36 pm

when you can, can you come here?

josiahmorgan11

8:37 pm

idk if thatll be tonight

Me

8:38 pm

I know, dont worry
you dont have to
I just like company when I am feeling like this
I think you dont like company like this

josiahmorgan11

8:40 pm

maybe

Me

8:40 pm

do you think about dying?

josiahmorgan11

8:41 pm

often

Me

8:41 pm

What stops you?

josiahmorgan11

8:42 pm

not the way you mean
only like; "if i was hit by a car accidentally itd be a relief"
so, not the way you mean

Me

8:43 pm

okay
I see, I think

josiahmorgan11

8:44 pm

mm

Me

8:48 pm

do you want to do this?

josiahmorgan11

8:50 pm

whats this?

Me

8:50 pm

im not sure, this convo

josiahmorgan11

8:50 pm

maybe

Me

8:51 pm

do you want to do this

josiahmorgan11

8:52 pm

idk

Me

8:52 pm

im in such a weird limbo
who are you

josiahmorgan11

8:54 pm

i cant

Me

8:54 pm

y not

josiahmorgan11

8:55 pm

noyes

Me

8:55 pm

josiahmorgan11

8:55 pm

Me

8:56 pm

Does Olivia like Josiah?

yes

now lets move on

josiahmorgan11

8:56 pm

noyes

Me

8:57 pm

im sorry

im sorry

josiahmorgan11

8:58 pm

"ok"

Me

8:58 pm

I can tell when you are looking at me, Josiah
you used to look at me a lot

josiahmorgan11

8:58 pm

how long ago was used to

Me

8:58 pm

December
A few weeks ago, I think

josiahmorgan11

8:59 pm

WE NEED TO BE CAREFUL BTW

Me

8:59 pm

(with what?)

josiahmorgan11

8:59 pm

THIS WHOLE THING

last time i did this with someone i was only friends with them and noone else even though other people tolerated me
trust that time outside of this is ok

Me

8:59 pm

im confused as to what you mean

josiahmorgan11

9:00 pm

dw

Me

9:00 pm

whole thing as in art thing? whole thing as in this convo? whole thing as in our friendship?

josiahmorgan11

9:00 pm

friendship in gen m8

Me

9:00 pm

say what you are trying to say but slower and easier

josiahmorgan11

9:01 pm

in 2015 when i did this with emma he thought i wanted him to be alcoholic, she thought i wanted her to hurt herself, she thought i hated her, and she thought i loved people with neuroses

Me

9:02 pm

ok
what do you want me to think?

josiahmorgan11

9:03 pm

you dont have to think anything
you just need to know that i dont spend time with others because i wanna be distanced from you its
because i wanna be close to them
you need to trust that, too

Me

9:04 pm

(i didnt say have)

What do you want me to think?

josiahmorgan11

9:04 pm

idk

Me

9:04 pm

ahh, I see
thank you for saying that
I have been waiting

josiahmorgan11

9:04 pm

ok

Me

9:05 pm

I trust you more than you think i do, I think

josiahmorgan11

9:06 pm

that doesnt mean u make me feel good about ti

Me

9:06 pm

good about what?

josiahmorgan11

9:07 pm

trust

Me

9:07 pm

ok

thank you for saying that

I also need you to understand that I ask for you, not because of you but because people like you make me want to stay

and I NEED to stay - or I NEED to want to stay

I really like you, I do. You know that

But sometimes it's not about you

josiahmorgan11

9:08 pm

yeah

Me

9:09 pm

sometimes its about survival

josiahmorgan11

9:09 pm

thanks

Me

9:09 pm

But
you know I love you

josiahmorgan11

9:10 pm

thanks
i know
i just cant always be there like today

Me

9:10 pm

I know
it would be unfair for me to ask you to do that

josiahmorgan11

9:10 pm

u do

dont quote songs in front of dean not rn

Me

9:11 pm

I do what?

Ask?

josiahmorgan11

9:11 pm

ask

Me

9:11 pm

No, I dont. You just look at my need and put it on yourself
I never ask YOU

josiahmorgan11

9:12 pm

ok

Me

9:12 pm

I'll stop anyhow

josiahmorgan11

9:12 pm

no

Me

9:13 pm

I dont know if you can do me

josiahmorgan11

9:14 pm

ok

Me

9:14 pm

I want to know what you think
but ok
i see
ok

josiahmorgan11

9:15 pm

i dont know what anything means
words arent working for me in general
i seriously dont know about this art thing dude
the fact that its just a vague thign is killing me

Me

9:16 pm

then lets kill some things

josiahmorgan11

9:16 pm

i am GOING to do a play of some sort with liams recording

Me

9:17 pm

lets cut ideas into seperate projects so we dont feel like we are losing things
(can WE do a play of some sorts)

josiahmorgan11

9:17 pm

WE can but i still think only one person can be in it ?

Me

9:17 pm

yes ofc
and it has to be you

josiahmorgan11

9:18 pm

ok, what

Me

9:18 pm

it has to be the way you use your body I think

josiahmorgan11

9:18 pm

ok, how?

Me

9:18 pm

are we doing this first?

josiahmorgan11

9:18 pm

no
well, maybe, short plays are next term

but no

film - rooms. about people, about whats in vs. whats out

theatre - about the obfuscation of the self

like

theatre stuff is easy devising wise thats not an issue 4me

i just still dont know

what is the text of our film

and does it matter

like /i/ can just go out and get shots when i am making something because i know what will assist in forming a final product

but this is a /we/

Me

9:19 pm

->whats in vs whats out<- ??

josiahmorgan11

9:20 pm

ext. vs int.

Me

9:20 pm

yes, and it should be a WE
(of ofc)

josiahmorgan11

9:20 pm

int. room ext. room

so we need to know what that is

albert spica is in the restaurant
int. restaurant
ext. restaurant
int. library
ext. library

Me

9:20 pm

We need to concrete our ideas though
lets make a list of like good themes we have been playing with or ideas that have come up
can i make a google doc? that makes things easier for me

because for me, once we have that core down itll be way easier
right now, we know
Blue
Rooms
Trials ?
Questions
Handcuffs?

josiahmorgan11

9:22 pm

blue rooms is one thing
trials i think should be film
and i think we just have to trust that and observe it
questions - maybe we film when we get them to ask us?
handcuffs is easy
but HOW
do they connect abstractly or is this narrative

Me

9:23 pm

no, we need to concrete this bub

like

WHAT

WHY

I dont have those things set in me

josiahmorgan11

9:23 pm

what? is not a challenge to me if its abstract

like, thats literally not even a consideration

what? is a blue room and some cuffs

if its a narrative thats harder

why? because we want to; because we want people to know; because people like jessi need to know that everyone else is int. and ext. too, how do we do that with TECHNIQUE?

Me

9:24 pm

no, not literally a what. like a "what" theme

ill make a doc, brb

josiahmorgan11

9:25 pm

the theme IS int. ext. dude

Me

9:29 pm

animal science?

josiahmorgan11

9:30 pm

surely that IS int ext?
thats all i ahve
give me time

Me

9:31 pm

yes, I was just clarifying cause we were using dif terminology

josiahmorgan11

9:32 pm

ye

Me

9:32 pm

if you dont want to talk to me then dont?
if you dont want to stay then dont?

josiahmorgan11

9:34 pm

no i just have nothign to say
u dont understand
i can come back in 6 weeks with a script for a theatre piece and an audio recording to begin working
with for MYSELF
OR

Me

9:34 pm

i dont understand and it hurt, dude

josiahmorgan11

9:35 pm

you can come to me in a week with an idea and a what and a where and a why and a HOW
and then i can do it
i cant do these steps any way other than individually
when we did our horror film last year maisie gave us the story and the rest was all of us

Me

9:35 pm

im not talking about the art thing

josiahmorgan11

9:36 pm

i am
what dont you understnad
why i wanted to go?
because id rather be asleep than awake
and bc being awake is easier when its with people i dont care abt as much

Me

9:37 pm

you are really good at being sweet in a fucking enraging way

josiahmorgan11

9:39 pm

thx?

Me

9:40 pm

exactly

Good night, see you tomorrow

josiahmorgan11

9:40 pm

are you going? i might stay

Me

9:42 pm

I thought you wanted to go so I was going to go to make it easier

josiahmorgan11

9:42 pm

its ok

you dont have to

ill go at 10:30 fi im still not asleep though
you should go if you need sleep though. take your pills, yanno

Me

9:44 pm

I will go at 10:30 too
good time

josiahmorgan11

9:44 pm

kkk
