

Me

10:10 pm

yeah, i guess so

i dont know who hugs him ahahah

josiahmorgan11

10:10 pm

i think he likes me bc his son likes me btw

Me

10:10 pm

thats lovely

also you've just become more connected with him in school the past few weeks

how do you know his son?

josiahmorgan11

10:11 pm

i dont 'know' his son but

the shows that i do at canterbury childrens theatre

he got very excited in the christmas holidays when i was doing a pirate show

and his son got sent to a pirate show w his wife  
and afterward his son came back w photos w the cast and it was me  
his son has come to a few in a row  
and they get used to seeing the same cast members  
and meet n greetin all the same rotating cast

Me

10:12 pm

thats really cute

josiahmorgan11

10:12 pm

did you hear that story richard said  
about how like  
every morning his son wakes up now and goes like  
"arrrrrrr"  
lmao

Me

10:12 pm

yessss

josiahmorgan11

10:12 pm

josiahmorgan11

10:13 pm

god u know whos a magical human being  
olivia smith  
ive asked her to write me the "Recipe" for the base of the show im doing w toby  
the mundane part  
just the description of the v basic Actions  
bc i think she will write in a way that doesnt feel possible, bc thats what she does

Me

10:14 pm

she will do well it that  
espesh if its \*just actions\*

josiahmorgan11

10:14 pm

yes exactly  
thats literally what it is

Me

10:14 pm

im going to email her, now you mention her

josiahmorgan11

10:14 pm

ok

Me

im still listening to 9 mintue call me

Me

10:15 pm

josiahmorgan11

10:16 pm

it doesnt bottom out the way the normal one does  
the normal one jumps chorus to chroust o chorus  
this just fucking  
BUILDS wtf

Me

10:17 pm

mmm

josiahmorgan11

10:17 pm

>tfw this is basically the same song structure as kanye west runaway  
amazing  
right down to both of them having butchered radio edits

Me

10:18 pm

fuck

josiahmorgan11

10:19 pm

i love calculus so much u have no idea so much crazy stuff happens in math classes

Me

10:19 pm

thats good 😊  
sorry if im not very responsive tonight

josiahmorgan11

10:20 pm

its fine  
im just passionate

Me

10:21 pm

i dont think the word passionate was the right word to use there  
you are a passionate person but  
idk thats not the right word right now

josiahmorgan11

10:21 pm

what the word

Me

10:22 pm

im not sure  
i just think one can be sad and passionate  
unstimulated and passionate  
unenthused and passionate

josiahmorgan11

10:23 pm

ok

josiahmorgan11

10:24 pm

god wtf blondie's hiphop song is stunning

Me

10:29 pm

u r so awake for being so tired haha

josiahmorgan11

10:29 pm

the only times im unaware is hungover  
stop eating cars, and eating bars, and now he only eats:

guitars.

wtf

Me

10:29 pm

awake lol not unaware

josiahmorgan11

10:29 pm

isnt that a mental way to end a SONG?

Me

10:29 pm

yeah dude

josiahmorgan11

10:30 pm

time for a new blondie album imo  
solid

Me

10:30 pm

haha

josiahmorgan11

10:30 pm

hm

Me

10:31 pm

meow

josiahmorgan11

10:31 pm

"i want 2 tell u somethin u've known all along"  
thx blondie

Me

10:31 pm

ooooh nice

Me

10:34 pm

bum nearly over

josiahmorgan11

10:35 pm

dean is a mess

he left a group chat bc he couldnt handle me and jessi talking abt the leftovers aka something we like that he isnt familiar with

Me

10:36 pm

poor lucy  
im sorry but  
like

josiahmorgan11

10:36 pm

yep  
es too much

Me

10:36 pm

he is falling apart  
in a gentle way

josiahmorgan11

10:36 pm

maybe

WTF BLONDIE

SORRY AGAIN BUT

"all i want is a photo in my wallet."

Me

10:37 pm

stop, Josiah, im sorry

stop

plzzzzzz

Me

10:38 pm

when josiah leaves

oh lol

josiahmorgan11

10:38 pm

im right here

Me

10:38 pm

hey matie

sorry, you can keep talking about Blondie

josiahmorgan11

10:39 pm

its fine i know all the other songs on this album

Me

10:39 pm

that was bitchy of me, im sorry

josiahmorgan11

10:39 pm

i dont think literally anyone feels good rn  
lucy maybe

Me

10:40 pm

i feel good haha

josiahmorgan11

10:40 pm

do you wanna come watch rowan ryan dylan play basketball next time they have a match

Me

10:40 pm

I hope Dean doesnt effect how good lucy is feeling 😞

josiahmorgan11

10:40 pm

i dont care abt basketball but im going anyway with ella

Me

10:40 pm

okay, sure  
thank you

josiahmorgan11

10:41 pm

it'd be like a last minute thing  
they dont find out their time until the day of  
i think it happens on monday nights? maybe not every monday, maybe fortnightly?  
idk

Me

10:41 pm

oh, k, i might not be able to but hopefully

josiahmorgan11

10:41 pm

yeah rip

Me

10:41 pm

thank you though

josiahmorgan11

10:41 pm

its ok i thought i should ask

Me

10:42 pm

hm, why? like its lovely and idm but

josiahmorgan11

10:42 pm

"but"?

Me

10:43 pm

but: "I thought I SHOULD ask"

josiahmorgan11

10:43 pm

bc i would like to watch them

Me

10:43 pm

hm okie dokie

doesnt answer my question but ill let you get away with it

josiahmorgan11

10:43 pm

ok

Me

10:44 pm

how are you?

josiahmorgan11

10:44 pm

alrht

Me

10:45 pm

thats boring. tell me how you are and answer with a smell, a temperature, a person you know, and the title of a song

if u want to

josiahmorgan11

10:45 pm

formaldehyde

0 degrees but fahrenheit

sophia

and

the boredom is the reason i started swimming

Me

10:46 pm

"alrht"

josiahmorgan11

10:47 pm

ok

Me

10:47 pm

yes

J, have you got nothing to say?

josiahmorgan11

10:48 pm

i dont know

its easy to get bored when people talk too much and i talk a lot

Me

10:48 pm

do you think i'll get bored of you if you talk?

josiahmorgan11

10:48 pm

prob

Me

10:49 pm

i think u should to talk

josiahmorgan11

10:49 pm

i dont need to

Me

10:49 pm

should we only do what we need to do?

josiahmorgan11

10:50 pm

no but

Me

10:50 pm

you do not have to talk, I'm just letting you know I think you should

josiahmorgan11

10:50 pm

i dont know what ther IS to talk about  
so much of what i want to talk about doesnt fit into words  
and so u should talk instead

Me

10:51 pm

im not worth listening to right now

josiahmorgan11

10:51 pm

tell me about ur mum

Me

10:51 pm

she is sick  
they are cutting her womb out of her  
three days in hospital

josiahmorgan11

10:51 pm

ok

Me

10:52 pm

i will become a mum soon  
thats all

josiahmorgan11

10:52 pm

maybe u already are

Me

10:52 pm

no, im a father

josiahmorgan11

10:52 pm

(take me down the highway like a rocket to the ocean)

Me

10:53 pm

if i am a parent i am a father

josiahmorgan11

10:53 pm

why

Me

10:53 pm

(stunning)

josiahmorgan11

10:53 pm

i think lauren is getting worse but idk how to help  
or what she even needs

Me

10:53 pm

because that is where the need is, and i have never given birth  
....its the drugs.

josiahmorgan11

10:54 pm

the drugs is how i know shes getting worse

Me

10:55 pm

She asked me to go to the cafe with her and we talked about food the whole time  
i thought youd find that interesting

im sorry, that helpless feeling is heavy

josiahmorgan11

10:56 pm

idk

im used to being able to help or try

Me

10:56 pm

but now you dont know what to do?

josiahmorgan11

10:56 pm

only w her

Me

10:56 pm

ok

May I continue this?

josiahmorgan11

10:57 pm

ofc

Me

10:58 pm

Do you know what to do with Dean? (if so, what?)

josiahmorgan11

10:58 pm

i might if he didnt shut me off every time  
if i had more than 10 seconds

Me

10:59 pm

so is that a no?

josiahmorgan11

10:59 pm

not necessarily

i think he needs whats happening right now

and he will need to realize that hes wrong

and then he'll be ok

Me

11:00 pm

What about Richard?

Jessi?

Me?

Ryan?

Rowan?

(v good answer)

josiahmorgan11

11:00 pm

richard needs us to /want/ him

jessi doesnt need anything if she continues like today. eventually she'll need a little bit more of herself, and then she'll need help not to slip back

ryan needs someone to love him properly the way lily could if she tried

maybe its selfish but i think rn rowan needs me idk

maybe nto me specifically

im just the one doing it rn

Me

11:03 pm

1. Who is us? People in general or students or you and I?

2. I'm not sure but you probably know better than I do

3. That's very sad, but he does. He thinks you can.

4. Not selfish, you have the right to say that

josiahmorgan11

11:03 pm

students specifically bc his job and his family are his reason

Me

11:03 pm

and maybe it \*is\* you BECAUSE you are the only one doing it  
(I see)

josiahmorgan11

11:03 pm

i wish florian understood today

Me

11:04 pm

pause.

josiahmorgan11

11:04 pm

?

Me

11:04 pm

It's all good not to answer what you think you need to do with me, thats cool. Just answer or acknowledge it

josiahmorgan11

11:04 pm

oh i didnt even see your name there  
oops

Me

11:05 pm

Thought not, all good haha  
it doesnt matter, it just went unnoticed

josiahmorgan11

11:05 pm

idk if you need anything  
or  
like, what you need is the same thing you provide to other people but noone does it  
by which i mean  
"im a father"

Me

11:06 pm

ok

continue about Florian if you want

josiahmorgan11

11:06 pm

no i just wish he knew

Me

11:06 pm

im just making a hot drink, I'll brb

josiahmorgan11

11:06 pm

he spends so much time trying to work out how to make rowan ok in his classes and i dont think its hard

Me

11:07 pm

the problem is: working out how to make him ok

josiahmorgan11

11:07 pm

i wasnt even going to leave at first i was just

Me

11:07 pm

thats not the right way to look at things

josiahmorgan11

11:07 pm

going to sit outside the window  
under the shelter thing

Me

11:07 pm

teachers get that wrong

josiahmorgan11

11:07 pm

richard gets that wrong  
sometimes  
sometimes  
not when he asked you what "it" was

Me

11:07 pm

"dont come to me with problems I cant fix, it makes me feel helpless and I hate feeling helpless"

josiahmorgan11

11:07 pm

emmas parents thought they could makeher ok by taking everything out of her room except a bed

Me

11:08 pm

Do you mind if I ask, you can totally refuse to answer, I understand, but was she ever an inpatient at PMH or an outpatient at YSS?

josiahmorgan11

11:09 pm

she almost was  
it might have been a mistake but i stopped her from being sent there  
i dont think it was a mistake, she was ok in her bedroom when and if there were  
things in there  
only sometimes but ok enough  
but, she was close  
and she hated the idea of it too  
which i mean always some people will  
but

Me

11:12 pm

I think i heard a story about her before I met her  
isn't that amazing

josiahmorgan11

11:12 pm

can you tell me ?

Me

11:12 pm

that is some Lost type stuff

parents who removed all the furniture from their daughters room because they were scared

josiahmorgan11

11:13 pm

oh

they didnt know what to do, no

they took me away too there was a really bizarre scary period in there where emma wrote letters to my mum instead of me

Me

11:14 pm

But the lack of a "world" makes it harder to stay in a "world"  
thats how she put it, yes

josiahmorgan11

11:14 pm

and my mum understood but

Me

11:14 pm

im sorry

josiahmorgan11

11:14 pm

it was still scary they told me about  
how that specific TYPE of mental illness is manipulative in a certain way which i  
knew but i dont mind being manipulated  
and my dad talked a lot about how it was contagious and  
eventually she was only able to come over if we didn't stay in my bedroom but  
sometimes the bedroom was safe  
on a teacher only day when my parents had work and none of us had school my  
brothers and sister asked about emmas arms  
& they found out about dad on that day also

Me

11:16 pm

Josiah. "how that specific type of mental illness is manipulative which I knew but I  
liked being manipulated"  
thats really wrong

josiahmorgan11

11:16 pm

i dont mean it like that

its more like;

she wasn't consciously manipulative, i was not allowing certain manipulations, and  
safety > denial

it wasnt manipulative the way my mum was w the books

it was manipulative for sean though

n thats why he left

Me

11:18 pm

ok

josiahmorgan11

11:19 pm

there was a rough month in there also where she didnt respond  
the month after she had the suicide plan

Me

11:19 pm

im sorry

im so sorry

josiahmorgan11

11:19 pm

and she would send "(y)" to everything  
but its not like you could stop talking  
no, its ok. im ok

Me

11:19 pm

I understand

josiahmorgan11

11:20 pm

we found some of her writing from that time the other day  
he thinks but the mud keeps his neurons firing

the spider is winning

Me

11:20 pm

ok

josiahmorgan11

11:21 pm

idk

Me

11:21 pm

its ok

im sorry though, whether you are ok or not. That is hard regardless

josiahmorgan11

11:22 pm

nz has such shitty mental healthcare rip

ok incorrect

\*funding

Me

11:22 pm

both

josiahmorgan11

11:23 pm

funding would help the former

Me

11:23 pm

ofc

i dont want to talk about dying because you have had similar conversations with people close

josiahmorgan11

11:23 pm

why is that a bad thing?

Me

11:24 pm

why is what a bad thing? I never said it was bad

josiahmorgan11

11:24 pm

why dont you want to

Me

11:24 pm

reasons i guess

josiahmorgan11

11:24 pm

wow

Me

11:25 pm

ik, ik, idk what to say

josiahmorgan11

11:25 pm

say whatevers true

Me

11:26 pm

- you dont care, you sometimes want to and only when you want to do you pretend to and you only pretend for yourself
- you have no time at all and I have too much

- my skin is a different shade to everyone elses so I cant possibly take my coat off  
can I?

josiahmorgan11

11:26 pm

just bc i pretend to jessi doesnt mean i pretend to everyone when i want to  
just btw

Me

11:27 pm

No, no, you knew what I meant I think

Me

11:28 pm

?

josiahmorgan11

11:28 pm

ok

Me

11:29 pm

no, its ok  
say what you want to say

josiahmorgan11

11:29 pm

i didnt have anything to say i was just changing b to cyndi lauper

Me

11:30 pm

ok  
Don't threaten me with love, baby. Let's just go walking in the rain.  
If I'm going to sing like someone else, then I don't need to sing at all.  
I never hurt nobody but myself and that's nobody's business but my own.  
What is Billie

josiahmorgan11

11:30 pm

<3

Me

11:31 pm

"dont threaten me with love"  
how's cyndi?

josiahmorgan11

11:32 pm

nice  
im listening to her 2000s stuff

Me

11:32 pm

cool

josiahmorgan11

11:32 pm

i think rowan has a younger brother  
wtf

Me

11:32 pm

oh

josiahmorgan11

11:33 pm

wow what  
his dad had another kid  
its a baby

Me

11:33 pm

half-sibling?

josiahmorgan11

11:33 pm

yeah

Me

11:33 pm

ah..

josiahmorgan11

11:33 pm

he didnt want to go home today btw

Me

11:33 pm

oh

Me

11:35 pm

I think i might go soon-ish btw, just letting you know

josiahmorgan11

11:35 pm

ok

Me

11:35 pm

before I can do anything with the art thing i need to connect to you again. If it doesnt happen, that's cool, that's just what im lacking at the mo

josiahmorgan11

11:36 pm

im busy rn  
idk when  
im trying  
energy is going everywhere and so nowhere

Me

11:36 pm

That's ok, dont worry  
I can tell  
its just I dont know how well I can do at the talk tomorrow if it ends up happening  
which is all good

josiahmorgan11

11:37 pm

u dont have to connect to me to do well there  
u feel?

Me

11:37 pm

its just worth saying out loud  
I do.

josiahmorgan11

11:37 pm

u didnt know me when we talked to rowan  
not really

Me

11:38 pm

hm i think we have got a dif idea of connection  
i didnt know you as well, no  
but I think more connection  
which is all good, waxes and wanes.

josiahmorgan11

11:38 pm

mm  
idk what im doing w anything  
i cant do any of it  
sad!

Me

11:38 pm

just worth letting you know, communication and all that haha

what?

josiahmorgan11

11:39 pm

im being facetious

i will do it

im just strssed

Me

11:39 pm

im sorry you are stressed dude

u are under no obligation to do whatever it is we are doing

josiahmorgan11

11:39 pm

dont be

Me

11:39 pm

we could legit say do it next term

josiahmorgan11

11:40 pm

i dont wanna put things off bruh  
itll happen

Me

11:40 pm

ok, ok  
just putting it out there

josiahmorgan11

11:40 pm

mm

i d k k

idk like why im even coming to school rn tbh

yikes

whats richard gonna say when my attendance starts slipping tbh

it wont be this term itll stay 100  
but

Me

11:41 pm

why are you coming to school rn?

josiahmorgan11

11:41 pm

ryan & rowan maybe  
on stage challenge days its for that

Me

11:41 pm

Mmmm

josiahmorgan11

11:41 pm

i dont need to come to school for you bc i get the best from you here

Me

11:41 pm

haha, only because you make it  
I adjust  
I adjust  
I adjust

josiahmorgan11

11:41 pm

ok

Me

11:42 pm

Advice: feel more sharply and think more dull-ly  
it might not apply to you  
but i think it might

josiahmorgan11

11:42 pm

i dont think u know how i feel

Me

11:42 pm

I do not know how you feel

josiahmorgan11

11:42 pm

i think thats the #1 thing u get wrong about me

Me

11:43 pm

you dont tell me

josiahmorgan11

11:43 pm

what do you want to know

Me

11:43 pm

how you feel

josiahmorgan11

11:43 pm

this morning i cried on the way to school bc i had a nightmare last night about my sisters plane crashing

Me

11:43 pm

ok

josiahmorgan11

11:44 pm

maybe that answers the question idk

Me

11:44 pm

I didn't know how you felt, I don't know how you feel  
you are right

josiahmorgan11

11:44 pm

what does that mean

Me

11:44 pm

But i want to, and you know I want to

josiahmorgan11

11:44 pm

feel on a scale of numb to bad

Me

11:45 pm

it means: this morning I could not tell that you felt like that. I generally probably dont know how you feel. You are right when you said I probably get it wrong how you feel (what does that mean? feel on a scale of numb to bad?)

josiahmorgan11

11:46 pm

im sorry about that

good = numb in what it feels like emotionally like

i /emotionally/ feel best when im busy which is numbing

Me

11:47 pm

its not you, I have never met someone like you before. Which is a silly thing to say, because no one is LIKE anyone. But I have never paid much attention to people who act like you, who feel like you so

josiahmorgan11

11:47 pm

ok

thanks

Me

11:47 pm

its me

Ofc, btw.

"You have too little time and I have too much"

josiahmorgan11

11:48 pm

i wasnt sad when my dad told me about how my mum nearly died  
but it felt like daggers when rowan wouldnt sit down  
thats how i feel

Me

11:48 pm

Ok

joshiahmorgan11

11:49 pm

i felt nothing when i nearly jumped off a tree but it felt like i was dying when casey  
told me she was going to france the day before she left

Me

11:49 pm

ok

joshiahmorgan11

11:49 pm

i dont feel like asking how u feel bc i dont think i need to know  
unless u want me to

Me

11:49 pm

Again, do you only do things you need to do/know?

josiahmorgan11

11:50 pm

nope

ill word that better

i dont feel like asking how u feel bc it will feel like stabbing

Me

11:50 pm

why?

josiahmorgan11

11:50 pm

because every time u do something like refusing to sit down ill only see how u feel

Me

11:51 pm

i do not understand

josiahmorgan11

11:51 pm

i feel things when other people feel them

i was not able to stay in the lab because rowan was not able to stay in the lab

Me

11:52 pm

so if I dont feel then it is easier for you

josiahmorgan11

11:52 pm

if i can see how you feel then i will always feel when i see you

it is selfish but also preservation

Me

11:52 pm

ok

josiahmorgan11

11:52 pm

i talked to jessi about listening last night too

Me

11:52 pm

ok

josiahmorgan11

11:53 pm

she didnt understand how someone could say something not in words but i told her that listening is looking at you and knowing when not to complain

i dont think thats true actually

but i need solid examples for her

and u have solid examples on ur body

sorry

Me

11:53 pm

dont apologise

its true

you are the only person who talks about it

josiahmorgan11

11:54 pm

is that good or not

because florian did and you said that wasnt good

Me

11:54 pm

it is sometimes good and sometimes bad

"it is selfish but also preservation"

I cannot let myself love you now.

Maybe it is a bad thing

But i think it is a good thing

josiahmorgan11

11:55 pm

ok

i think the thing that makes me different is that it doesnt change the way i think about you, btw  
and thats why i can talk about it

Me

11:55 pm

that is a good thing  
but i think it does change things subconsciously

josiahmorgan11

11:55 pm

last night jessi told me about all these things imogen had done for her  
and then about three times when jessi was crying and imogen walked out and left  
and i asked her whether that changed all the other times  
and then i asked her how many times shed stayed for imogen

Me

11:56 pm

that is good

josiahmorgan11

11:56 pm

she said imogen had never cried in front of her

Me

11:56 pm

you did v well there

josiahmorgan11

11:56 pm

i said that didnt mean she never wnted you to stay

Me

11:56 pm

ok

you say things

im not sure whether that is a good or a bad thing

josiahmorgan11

11:57 pm

both sometimes  
dean thinks it is a bad thing

Me

11:57 pm

both most of the time  
Dean has no clue

josiahmorgan11

11:58 pm

he thinks he knows things  
i wish he idd  
i wish i did tbh

Me

11:58 pm

I wish he did too  
Lucy doesnt wish he did

josiahmorgan11

11:58 pm

lucy knows more than she lets on  
she asked me if i was feeling alright this morning btw

Me

11:59 pm

I will be tall in herself someday  
im glad to hear that

josiahmorgan11

11:59 pm

tall in herself ?

Me

11:59 pm

it doesnt matter, i cant be bothered explaining

josiahmorgan11

11:59 pm

can you try fast

Yesterday

Me

11:59 pm

think of tall people, how does that make you feel?  
think of a tall person, how does it make them feel?  
that's all i can say

josiahmorgan11

12:00 am

ok

Me

12:00 am

yeah  
Happy Wednesday

josiahmorgan11

12:00 am

thx  
richard said he hates tuesdays and wednesdays today

he also said his day was alright

Me

12:01 am

i forgot to fall asleep

josiahmorgan11

12:01 am

is that good

Me

12:01 am

Richard is a contradiction but he words it in a way that people dont notice its nonsense

it depends, is it good for you that I stayed?

josiahmorgan11

12:01 am

Yes

josiahmorgan11

12:08 am

what did you watch in the mornings before school

Me

12:08 am

i cant remember

josiahmorgan11

12:08 am

what about the afternoons

Me

12:08 am

mickey mouse club house

josiahmorgan11

12:08 am

who was your first friend

Me

12:08 am

a girl named Nicole  
I called her Bicole

josiahmorgan11

12:09 am

why

Me

12:09 am

with a B for some reason  
im not sure

josiahmorgan11

12:09 am

what did you do on weekends

Me

12:09 am

im not sure  
it doesnt matter

josiahmorgan11

12:09 am

what did you do on weekends

Me

12:09 am

play with my imaginary friends

josiahmorgan11

12:09 am

what did you do when you were home sick from school  
when did your imaginary friends go away

Me

12:10 am

read books, sleep and watch tv  
when I was about 11 or 12  
they really really left the first time I tried to kill myself

josiahmorgan11

12:10 am

what did your mother teach you

Me

12:10 am

how to make people "like" me

josiahmorgan11

12:11 am

what did your father teach you

Me

12:11 am

how to get angry

josiahmorgan11

12:11 am

did you or anyone in your family ever wet the bed

Me

12:11 am

my brothers did

josiahmorgan11

12:11 am

was it a problem

Me

12:11 am

i suppose so

josiahmorgan11

12:12 am

did you ever bully anyone

Me

12:12 am

yes

josiahmorgan11

12:12 am

who

Me

12:12 am

Kaitlyn Bunz, you met her on Olympics day

josiahmorgan11

12:12 am

what did you do

Me

12:13 am

I was fat and she was skinny, I wanted being skinny to be worse  
she also got a new friend

josiahmorgan11

12:13 am

did you ever have a babysitter or was someone always home

Me

12:13 am

not a permanent baby sitter when I was little

josiahmorgan11

12:13 am

but you had one?

Me

12:14 am

my cousins used to stay over night because my mum had to work nightshiifts when my dad left

^

josiahmorgan11

12:14 am

okk

Me

12:14 am

why?

josiahmorgan11

12:14 am

i wanted to know

Me

12:15 am

why?

josiahmorgan11

12:15 am

i want to knwo you

Me

12:15 am

im sad

josiahmorgan11

12:15 am

why

Me

12:15 am

because you cannot care about me

josiahmorgan11

12:16 am

why not

Me

12:16 am

Self-preservation, like you said  
(brb)

josiahmorgan11

12:16 am

who can u see me caring about hten

Me

12:16 am

im not sure, I think you care about a lot of people i guess

josiahmorgan11

12:17 am

what makes you different then

josiahmorgan11

12:19 am

?

Me

12:19 am

im actually not sure  
maybe Im not  
i need a lot of things though

josiahmorgan11

12:19 am

you know thats a contradiction

Me

12:19 am

maybe that makes me different  
what is?

josiahmorgan11

12:19 am

ok  
wht do you need

Me

12:20 am

people to care, people to ask how I am, human beings  
?

josiahmorgan11

12:21 am

which ones of those cant i give

Me

12:21 am

you are a human being  
you give me that  
but maybe not the other two  
which is fine  
its ok

josiahmorgan11

12:22 am

ok  
how are you

Me

12:23 am

not very good lately, I cant pinpoint what's wrong though - I guess that's depression.  
And people make me feel bad about being depressed. Richard does.

but its ok

how are you?

josiahmorgan11

12:24 am

it depends on who im with

Me

12:24 am

when you are with me

josiahmorgan11

12:25 am

ok

Me

12:25 am

ok as in you feel ok?

josiahmorgan11

12:25 am

yes

i hope you dont feel bad about being depressed when you are with me

Me

12:26 am

ok, thank you. I will try not to

josiahmorgan11

12:26 am

do you?

Me

12:26 am

sometimes

josiahmorgan11

12:26 am

when

Me

12:26 am

but its not your fault

when you need to be selfish, when you need to preserve yourself. When you cannot come outside with me. When you cannot stay

but that is because OF ME, I hope you understand.

it is not you

josiahmorgan11

12:27 am

ok

when does richard

Me

12:28 am

when he tells me to get some sleep, when he asks about my diet, when he attributes my sadness to my cold/flu, when he attributes my sadness to lack of Vitamin D

because it is not  
because my sadness is a problem  
but it cannot be fixed by something like those things  
and it cannot be "fixed" by him

josiahmorgan11

12:30 am

i dont think it is a problem  
i do not think u have a problem

Me

12:30 am

Maybe you will some day  
it is good that you dont now

josiahmorgan11

12:30 am

no its just a thing that u have

Me

12:30 am

thank you, J

im sorry

josiahmorgan11

12:30 am

its ok

i need you to know that i think that though

Me

12:31 am

can i just be super honest?

I do need to know that

josiahmorgan11

12:32 am

u can always be honest

dean struggles with people who are depressed because he thinks it is an asset to have

it is not an asset for him to have.

however, that does not make it a problem when applied to you.

you would not be you without it; i am glad u are u

Me

12:33 am

most people struggle with people who are depressed, I do not blame him for it

josiahmorgan11

12:33 am

i'm aware

Me

12:33 am

I feel like you are lying to me

josiahmorgan11

12:33 am

its just a comment

what is the lie?

if i wasn't glad you were you, i would not be here

Me

12:34 am

"you would not be you without it; i am glad you are you"

mm, it just sounds like you are just telling me what i want to hear

because we are talking about depression

josiahmorgan11

12:35 am

maybe i believe the things that you want to hear  
i dont know what else there is to say.

Me

12:35 am

okay  
thank you

josiahmorgan11

12:35 am

that last message isnt strictly true; there IS nothing else to say  
i know you cant trust the above but i wont you to know that im telling you that you  
should  
bc the alternative is believing that i think you have a problem  
i dont see any other ways of thinking about it tbh

josiahmorgan11

12:37 am

(that every brain has the potential to act in the same manner as literally any mental illness 2me indicates that i cannot assume that a mental illness is a negative affliction as opposed to something natural)

Me

12:37 am

ofc

josiahmorgan11

12:37 am

right.  
stating the obvious is necessary sometimes

Me

12:38 am

but is not natural if I die from it

josiahmorgan11

12:38 am

because, and i hate to use him as an example, but lets be real, dean's response would be "its called a mental illness"

death is natural.

Me

12:38 am

if i died by an OD tonight, would it be natural?

josiahmorgan11

12:39 am

it would be a decision

Me

12:39 am

would it be natural?

josiahmorgan11

12:39 am

thats a challenging question and both answers have reasoning  
simple answer no

Me

12:39 am

good. The answer SHOULD never be yes.

josiahmorgan11

12:39 am

long answer is that any positive action from anyone WITHOUT a mental illness is equally "unnatural" because of the variable of choice  
the only "natural" is one's state

Me

12:40 am

i suppose so  
stating that suicide is natural is just an awful thing to say

josiahmorgan11

12:40 am

thats not what i said

Me

12:41 am

it suggests that to convince someone to live is to fight against a natural process  
which is just inherently hideous  
and no, I know that that is not what you meant. I was just commenting

josiahmorgan11

12:41 am

to me it is simply that living is as natural as death  
any path chosen is unnatural  
thats a murky path to go down  
but i think true

Me

12:42 am

hmmm, no, i think i agree  
though we are getting into some hardcore philosophy now

josiahmorgan11

12:43 am

sure  
thats fine too  
i dont think psychology and social stuff exists WITHOUT degrees of philosophy

Me

12:43 am

where we have to talk about is there such a thing as "choosing a path"

josiahmorgan11

12:43 am

it cant actually exist w/o it  
right  
i agree

Me

12:43 am

haha, ofc.

josiahmorgan11

12:43 am

desmond pushes back charlies death which is unnatural but the occurrence of  
charlies death is natural

Me

12:44 am

My description of psychology is:

Philosophy and Biology had a baby

josiahmorgan11

12:44 am

jake doesn't drown himself tonight, doesn't mean he won't die

Me

12:44 am

mmm

josiahmorgan11

12:44 am

u should read some baudrillard  
and also watchmen  
watchmen is vital reading

Me

12:44 am

remind me

you should create an OLIVIA ART list  
that i can just look at

josiahmorgan11

12:45 am

watchmen might be the most existentially crushing thing that i have ever experienced

Me

12:45 am

have it numbered from 1 being the most important

josiahmorgan11

12:45 am

ok

Me

12:45 am

thx  
do you know what is existentially crushing?  
art

josiahmorgan11

12:45 am

what  
yes

Me

12:45 am

just art  
and sex  
and pain sometimes  
but art  
yes

josiahmorgan11

12:46 am

yes

Me

12:47 am

Sunday is gloomy

My hours are slumberless

Dearest the shadows

I live with are numberless  
i think i love Billie Holiday

Me

12:48 am

thank you

Me

12:50 am

I have that on my shelf as we speak

josiahmorgan11

12:51 am

its so good  
so so so good

Me

12:51 am

you do not have to keep going tonight

josiahmorgan11

12:51 am

i want to get some essentials down

Me

12:51 am

you will write 200 at least  
brb

Me

12:56 am

hehe <3

Me

12:57 am

I'll find you in the morning sun

And when the night is new

I'll be looking at the moon

But I'll be seeing you

josiahmorgan11

12:57 am

M3

\* <3

Me

12:58 am

I really love Billie

Me

12:59 am

is that the one about the sisters?

josiahmorgan11

12:59 am

no

Me

12:59 am

oh

josiahmorgan11

1:00 am

its about a woman and her dog

Me

1:00 am

ah ok

josiahmorgan11

1:00 am

she is on the precipice of homelessness and lives out of her car  
and one day her dog goes missing  
and she looks for her dog  
and she looks for her dog  
and she looks for her dog  
and she looks for her dog  
and she looks for her dog

Me

1:00 am

oh

ok

josiahmorgan11

1:02 am

which one about sisters btw

Me

1:02 am

idk

you told me about one about sisters in this house and it was really odd ?

idk haha

josiahmorgan11

1:02 am

OH

Me

1:02 am

i cant remember but it sounded good

josiahmorgan11

1:03 am

u mae me forget what was gonna go here now

Me

1:03 am

i need to read infinite jest as well

josiahmorgan11

1:06 am

gravitys rainbow first

GR isthe best 'tough book'

bc its easy bc it FEELS bc pynchon's all about language

Me

1:06 am

cool cool

Me

1:09 am

Me

1:12 am

ive watched se7en, I need to again

Me

1:16 am

im sorry man, im falling asleep

josiahmorgan11

1:16 am

its fine you dont have to stay up

i can talk instead

if you like

ill keep going on this when the times are right anyway

Me

1:17 am

talking would help me stay awake but honestly I am fine to sleep if you just want to continue listing me art ahah

josiahmorgan11

1:17 am

its fine ill talk at the same time and throw things in as i think of them  
what is there to talk about imho

Me

1:17 am

there is so much to talk about, I hate how you say that 😏  
laziness

josiahmorgan11

1:18 am

ok  
pick something though

Me

1:18 am

uhmmmmm ok

Me

1:20 am

While on my walk today, i was thinking about what would happen if you HAD to spend the rest of your life with a specific person. And i told a few interesting stories (in my head) about the people I knew and what would happen

josiahmorgan11

1:20 am

ok

tell me some

Me

1:24 am

Madi and I go something like:

We never stop coughing our entire lives. Every year we find ourselves pregnant with each other's child though we never fuck. We have so many children by the time we are 50. We never cry and talk about anything sad. We only cough. We only cough and give birth. One day when we are in our 60s, I wake up and I am not pregnant and neither is Madi. I run around our green house and find Madi in the bathroom

crying. I have never seen her cry. And that is when I realised that I should've knocked.

The End.

josiahmorgan11

1:26 am

ok

that was anice story

AHHH

Me

1:26 am

Shae and I:

We live together until we pass away in our eighties. Our entire lives we live without mouths and she makes the bed in the morning. We hardly see each other because we are so busy. But she is always angry with me because that is the only way I can cum, and I am always crying because that is the only way she can cum. We die in our eighties. We were happy, I think.

josiahmorgan11

1:27 am

ok

Me

1:27 am

I wrote a few more. I liked them

Dude, this list is so long

josiahmorgan11

1:27 am

isnt that what you want?  
a list to just pull from

Me

1:27 am

ofc, ofc  
just commenting  
your turn to pick to say something

josiahmorgan11

1:28 am

give me a sec

hm

my imaginary friend was named Boom and it used to be his birthday every day. my other imaginary friend was named Vanessa, i think i may have told you about them both but still. vanessa died and was reincarnated as my cat

Me

1:30 am

I remember Vanessa

what did you used to do with Vanessa and Boom?

josiahmorgan11

1:31 am

we used to draw pictures when my mum was not around  
and we listened to my dads music without him  
and they used to get wet and i would watch

Me

1:32 am

wet?

josiahmorgan11

1:32 am

water

Me

1:32 am

How? would they shower or swim?  
or was there rain that could only wet them?

josiahmorgan11

1:32 am

swim

Me

1:33 am

why didnt you swim with them?

josiahmorgan11

1:33 am

i dont like it

Me

1:33 am

is that why they were swimming?

josiahmorgan11

1:33 am

i dont know

they did it because they liked it i guess

Me

1:34 am

ok

josiahmorgan11

1:34 am

when i was 6

my best friend was named emma hogan

i went to her house a lot

but i kept having nightmares about her mother

and her mother had a gun

and when her mother had a gun she would shoot my mother

and then they moved to wellington and then emma's dad had a brain aneurysm and died

Me

1:35 am

im sorry  
ok

josiahmorgan11

1:36 am

it didnt bother em  
me

Me

1:36 am

what bothers you?

josiahmorgan11

1:36 am

hm  
when i wake up too late in the mornings but cant make myself go to bed

when ryan wants me to touch him because he lingers a little bit longer than is normal  
when he touches me but then doesnt want me to touch him  
when rowan looks at a message and doesnt respond to it  
when you say "stop"

Me

1:38 am

ok  
- nothing  
- ok  
- thats annoying  
- Ill stop

josiahmorgan11

1:39 am

what bothers you

Me

1:39 am

when I dont have a certain level of control  
when I say things wrong and people cant understand me  
when we run out of milk and I really crave a hot drink  
when my cat dora pretends she doesnt love me one day and then the next she tries  
to rub her tongue on my fucking face as im trying to sleep  
when i cant find anyone

josiahmorgan11

1:41 am

ok

Me

1:41 am

yep

josiahmorgan11

1:41 am

ok

Me

1:42 am

i once told dean how to sleep and now he tells me he is taking care of himself and sleeping well

josiahmorgan11

1:42 am

hes not

Me

1:42 am

He wants to talk about himself to me though

josiahmorgan11

1:42 am

you know how he said he loved his family so we asked whether he liked them

Me

1:43 am

yeah

josiahmorgan11

1:43 am

he started talking about that in the group chat the other day  
not in relation to us  
like it was a profound revelation hed had on his own  
"ok"

Me

1:43 am

okay, thats good

its bad if people directly talk about what happened in that room outside the room

josiahmorgan11

1:43 am

yes

Me

1:44 am

im glad it made an impact on him though, things stick better when people think they got there by themselves

josiahmorgan11

1:44 am

yes

i hope rowan will be okay

Me

1:44 am

Me too

He will

He is strong, he has the body frame just doesnt know how to use the muscle  
not literally btw

josiahmorgan11

1:45 am

ofc

also my words were wrong

i hope rowan will be okay in a way that lets him be okay with me

Me

1:46 am

Is he not ok with you?

josiahmorgan11

1:46 am

he is now

Me

1:46 am

who is not ok with you?

josiahmorgan11

1:46 am

lily

Me

1:46 am

ok

josiahmorgan11

1:47 am

and dean

Me

1:47 am

Cleo shouldnt snap chat you  
grrr

josiahmorgan11

1:47 am

we dont usually  
that was the first one she has sent me

Me

1:47 am

okie dokie  
who is the most ok with you?

josiahmorgan11

1:48 am

mckenzie  
lauren

Me

1:48 am

<3

josiahmorgan11

1:48 am

lauren is ok with me because  
"you calm me down"  
mckenzie is the most

Me

1:49 am

mm ok  
can you think of anyone who is not ok with me?

josiahmorgan11

1:49 am

hm  
i mean cleo  
lia probably  
but

Me

1:50 am

but?

josiahmorgan11

1:50 am

dylan?

Me

1:50 am

hmm why

josiahmorgan11

1:50 am

u confronted him in a way he isnt used to

Me

1:50 am

mmm thats true

who is the most ok with me? (restricted to only people you know so might be no one)

josiahmorgan11

1:52 am

hm

liam

Me

1:52 am

... hmmm

ok

josiahmorgan11

1:53 am

i don tthink it needs explaining  
most; of the peopl ei know

Me

1:53 am

what is the second part of that message? most...  
?

josiahmorgan11

1:53 am

most, out of all the people i know

Me

1:54 am

ah yeah  
are you listening to this?

josiahmorgan11

1:55 am

no soz

Me

1:55 am

u should be

josiahmorgan11

1:55 am

im going to sleep soon

Me

1:55 am

good

sleep is good

I have got "nothing" to say

josiahmorgan11

1:56 am

ok

what are the "" mrks

Me

1:57 am

they allude to the half lie of the word nothing.

I have a lot to say, all the time, to anyone

but the situation is not right or you have not indicated interest - all that other social stuff, etc, etc, for me to say it

josiahmorgan11

1:58 am

thats what im asking you

im not asking waht they mean

im asking you

whats arond the nothing

Me

1:58 am

what do you mean

josiahmorgan11

1:58 am

whats the ""

Me

1:59 am

idk, secrets, feelings, memories, questions, art ideas, passions, answers, games, ideas, etc

do you want me to be more specific?

josiahmorgan11

2:00 am

sure

yes

Me

2:00 am

its easier if you do this too  
just answers and no questions?  
Just for like 10 mins before we sleep?

josiahmorgan11

2:00 am

what do i say  
ok  
you start

Me

2:01 am

I have an ipod I only use for music and porn

josiahmorgan11

2:01 am

emma used to use the same website as me

Me

2:02 am

i want to cut my hair

josiahmorgan11

2:02 am

my brother once told me that it was my fault he doesnt like being alive

Me

2:03 am

my brother bangs his head when he is frustrated, i cant help thinking that i taught him how to do that

josiahmorgan11

2:03 am

when i was 5 i accidentally touched my cousins vagina

Me

2:04 am

when I was little I thought that woman wore bras because when you were older - your boobs or something with your boobs somehow made you pregnant?

josiahmorgan11

2:04 am

ive never failed an audition in my life

Me

2:04 am

She mocked me when she said I liked the course

josiahmorgan11

2:04 am

he couldnt get the car to start

Me

2:05 am

a mutual friend tried to kill herself the same day me and an ex girlfriend had our first date

josiahmorgan11

2:05 am

i taught an autistic girl how to enjoy writing

Me

2:06 am

They cut this tree down that I loved at my old school

josiahmorgan11

2:06 am

i pushed her into a heater

Me

2:07 am

carved into the mirror were many words and cursings, but the one that stuck out was "are you ok?"

josiahmorgan11

2:07 am

i want to know what happened to laurens dad

Me

2:07 am

i want to know how Jessi acts around her family

josiahmorgan11

2:08 am

the first time i got drunk i'd just finished watching les demons which is a masterpiece but i couldn't walk straight even when i was sober after leaving the theatre because the central sequence is two avant-garde sequences bookending a scene in which a pedophile approaches an 8 year old

Me

2:09 am

Cleo wanted me to eat her out in the bathrooms of my mother's church because she thought it was bad ass and poetic. I said no.

josiahmorgan11

2:09 am

ive only ever had sex on neutral ground

Me

2:10 am

I've been hardcore sick for two weeks and today Madi said "why cant you just like, get better?" it was funny but it wasnt

josiahmorgan11

2:11 am

sometimes i can feel my heart beating like my pulse and i can feel it in my tongue but the other time i feel nothing at all and a bunch of anchors dropping one by one from my heart into my stomach with sharp javelin piercing my ribs

Me

2:11 am

I wish I did the romeo and juliet piece with you for no other reason than: I think I could've done it better than her. That makes me feel bad

josiahmorgan11

2:11 am

one time dean touched my neck and i asked him not to and he said, "why, is it PTSD?"

Me

2:12 am

my cousin has PTSD and her ex was only charged with \$1000 because the police screw up in incriminating recording in which he actually admitted to rape

josiahmorgan11

2:13 am

emma first had sex when she was 15 and the boy she did it with was older but once she turned 16 he said he didnt know her. he had known her for three years but he told everyone around her including emma herself that they had only met a week prior to fucking, that she had told him she was 17 and that he had no idea

Me

2:14 am

Dean wants to cut his hair like Ryan

josiahmorgan11

2:14 am

dylan jokes about adopting ryan

Me

2:15 am

I want to see a psychic and wear short sleeves

josiahmorgan11

2:15 am

everyone thinks i get things done because im motivated but i get things done because im not, when things are finished i can finally sotp

Me

2:15 am

I stopped knowing Kitty a while ago, it makes me sad

josiahmorgan11

2:16 am

kitty bought a microwave pie the other day and sat there staring at it for a few minutes before she ate it, she also told me she liked me and maybe one day would love me when i was in year 9, she also told me that she knew her mother would die soon

rowan went home at 11pm last night and wanted me to invite him home with me tonight but i couldnt

Me

2:17 am

People always talk about love.

People always talk about love.

People always talk about love.

josiahmorgan11

2:17 am

the only people i've ever loved are artists after they died

Me

2:18 am

i walked back by myself in bare feet that day I walked you home. I thought I would step in glass. You told me I wouldn't. That was the only important thing we said the entire time.

josiahmorgan11

2:18 am

everyone at NYDS smiles and laughs the same toxic way ryan does the way that means you don't know whats funny or why you should be happy but youre pretending to be anyway

Me

2:19 am

She asked me out on a date after we had been fucking for weeks. After our first date she moved away to the north island because of work

josiahmorgan11

2:19 am

jamie liked me bc he saw me listening when other people answered questions

Me

2:20 am

Jaime invited me to his birthday party. Only me and one other person were invited besides his brothers.

josiahmorgan11

2:20 am

they are virgins bc that is the only identity they have

Me

2:21 am

He asked me if I would give him a blow and I said no because he didnt know my last name.

Everyone calls me Miss Murray

josiahmorgan11

2:21 am

u told me last names werent important

Me

2:21 am

(ask questions after)

josiahmorgan11

2:21 am

thats my answer

Me

2:21 am

You make me smile sometimes when I am in my room alone at 2:21am on a Wednesday

josiahmorgan11

2:22 am

richard said dylan and gareth like the feeling of being in a crowd but gareth doesnt

Me

2:22 am

I've never listened to much of Ella but I'm not really listening to her right now  
Madi and I were playing Cranium and Madi said that she wasn't creative

josiahmorgan11

2:23 am

the first song i really listened to was about a father talking to a chair his daughter  
used to sit in  
michael ruins everything he touches and talks about

Me

2:23 am

I can make a list of all the stupid things Josiah and I have talked about

josiahmorgan11

2:23 am

i couldn't name a single thing that mattered

Me

2:24 am

Micheal is afraid to talk to me around uni, when I see him around uni he tells me the same story about this lecturer we both had last module

I can name lots of things that matter but thats only because Im aware that they dont matter. I like being in control in this way

Olive bought me a cookie today, it was nice

josiahmorgan11

2:25 am

every time michael's mum sees me act she tells me i should do it as a job

Me

2:25 am

I dont know what to do as a job. Sometimes I dont want to do what im supposed to do on purpose

josiahmorgan11

2:25 am

ellen was a good director for jessi because she didnt let jessi act, when jessi was fighting she made the other person actually fight her, when jessi was chasing somebody the other person actually ran

Me

2:26 am

My two cats are friends but Marmite chases Dora just for the act

josiahmorgan11

2:26 am

when dean and i watched the clips of sexual abuse for the censorship board dean said that presentations of sexual abuse "victimize" women as if they arent actually victims

paddington growls when flynn touches him

Me

2:26 am

Dean mocks me for being a feminist

Dean once told me to stop talking about my dress otherwise he would get a boner

josiahmorgan11

2:27 am

dean is scared of feminism because he thinks it means he doesnt matter

Me

2:27 am

Dean doesnt and does matter

josiahmorgan11

2:27 am

once dean told me his penis size and once he found out mine was bigger he told me he'd measured wrong

Me

2:27 am

Dean doesnt and does matter  
I cannot believe people measure dick size

josiahmorgan11

2:28 am

i dont know why tbh  
mckenzie is the only one who has ever understood  
because we dont talk about it

Me

2:28 am

I have too many books on my bookshelf that i have not read yet

josiahmorgan11

2:29 am

i buy art instead of other things because art doesnt expire

Me

2:29 am

I dont think I want to meet Mckenzie - its alright if I do, I do want to a bit. But I like the idea of her in my head, I like how she makes you feel

I dont understand why you value art above people

josiahmorgan11

2:29 am

you maybe will meet her one ay

Me

2:30 am

I'd rather talk about Rowan and Liam and Dylan and Jessi than watch Lost

josiahmorgan11

2:30 am

i value art above people because art is people and art is people in a form that progresses rather than stagnates

Me

2:30 am

I know you think that, It's good

josiahmorgan11

2:30 am

id rather talk about rowan than watch lost

Me

2:30 am

I started running away and when you realised you chased me

josiahmorgan11

2:30 am

id rather watch wendy and lucy than talk about rowan

Me

2:31 am

behaviour is a funny thing, it is so in the brain than in the body

josiahmorgan11

2:31 am

thats why its easy to manipulate the body when you know theres a disconnect

Me

2:31 am

I offended someone once by saying the body doesnt matter

Josiah is intelligent in many areas, but not in the one in which he decides to drink

josiahmorgan11

2:32 am

tomas is in love with me

Me

2:32 am

I want to cut my hair so bad

josiahmorgan11

2:32 am

i like your hair

Me

2:32 am

I dont know why Josiah likes my hair

josiahmorgan11

2:32 am

today rowan told me i can do everything  
it doesnt feel like i can do everything  
today he also said "i love you"

Me

2:33 am

My body is so ordinary

josiahmorgan11

2:33 am

every body is ordinary

Me

2:34 am

I am at a weird stage where I cannot tell whether the glass between me and "the guys" is glass or just something I can step through

josiahmorgan11

2:34 am

the best actors are the best because you see them and not a character even when you forget they exist

i forget justin theroux exists when i watch the leftovers but i know justin theroux because i know kevin garvey

u can step through it with liam, the others might take time

liam wants u

Me

2:34 am

I dont know why I would drink with you and only you. I ask myself that a lot because it bothers me. There is an answer but idk what it is

I want to know why liam wants me  
Dylan told me to shut my eyes

josiahmorgan11

2:35 am

i scare myself when im angry  
i haven tbeen angry in a long tim e

Me

2:35 am

I hardly ever scare myself

josiahmorgan11

2:35 am

i dont have nightmares

Me

2:35 am

I think I am the only thing that I am 100% not afraid of at all  
You had a nightmare yesterday about your sister's airplane

josiahmorgan11

2:36 am

it was a dream

Me

2:36 am

I thought you didnt dream

josiahmorgan11

2:36 am

i dont

Me

2:36 am

I have weird dreams that make so much sense  
and then I forget them

josiahmorgan11

2:37 am

i am going to leave now

Me

2:37 am

I do not want you to

josiahmorgan11

2:37 am

i have to

Me

2:37 am

please dont

josiahmorgan11

2:37 am

5 minutes

Me

2:37 am

ok

josiahmorgan11

2:37 am

and then i will leave

Me

2:37 am

ok

i know

I dont feel tired anymore

josiahmorgan11

2:38 am

i went to winter sleep with emma when she'd only ever seen hollywood films and i walked out of that theatre feeling like the ground had shifted

Me

2:38 am

when the earthquakes happened my mother was working at the hospital and the childrens ward starting flooding

I dont know why my dad left.  
I dont know why you leave.  
I know why she left, and thats ok

josiahmorgan11

2:39 am

when the earthquakes happened my friends mother thought it was the tanks coming  
to take her away  
i dont leave i just shut my eyes

Me

2:39 am

I remember once you told me I was warm  
I remember going into rooms with you  
that was fun  
Sometimes, I am a television people pay lots of money for but forget to plug in

josiahmorgan11

2:40 am

ok  
why do you stay afte rschool

Me

2:41 am

He told me he didnt like shaven and so I dont anymore

josiahmorgan11

2:41 am

i left today because i couldnt sit in that room any longer

Me

2:41 am

I wanted to walk out with you and see what would happen but I didnt  
I won the game

josiahmorgan11

2:41 am

did you know i was leaving when your eyes were shut

Me

2:41 am

I could feel it

josiahmorgan11

2:42 am

did anyone notice i had even left

Me

2:42 am

that's why i was laughing

Im not sure

maybe not

maybe

josiahmorgan11

2:42 am

good

its been 5 minutes but il stay 3 more

Me

2:42 am

you do not have to

josiahmorgan11

2:42 am

florian always gives rowan the experiments to do like rowan is a badly behaving 5 year old  
florian was the best homebase la i have had

Me

2:42 am

that makes me feel bad

josiahmorgan11

2:43 am

one day we played hide and seek entirely in florians room

Me

2:43 am

Florian once came over to me and told me to stop biting my nails and I said it was a bad habit but if I don't do it I grind my teeth - he said he grinds his teeth too then he walked away

josiahmorgan11

2:44 am

ella is missing casey

ella is missing syd

Me

2:44 am

People miss people all the time

josiahmorgan11

2:44 am

syd was not supposed to be here

its worse for her that he is

she was ready for him to leave and then he stayed for longer

Me

2:44 am

I wonder what it takes for someone to be ready for someone to leave

is it conscious?

josiahmorgan11

2:45 am

noone thought digs could act but the truth was that he couldnt read

Me

2:45 am

Im scared of people thinking I cant do something  
because I can do it, whatever it is

josiahmorgan11

2:45 am

im leaving now

Me

2:46 am

ok  
i want you to stay

josiahmorgan11

2:46 am

you know i have to go  
i hope you laugh this time

Me

2:46 am

I laughed
