

thanks jos

it was meant to be funny bc it was me agreeing with jos' thing but it kind of lost the comedic effect

Ms.Murray-Today at 1:10 AM

Kitty says that she tries to speak intelligently in front of me

dean-Today at 1:11 AM

kitty asked me the other night how she could be a better friend

jmo11-Today at 1:11 AM

it lost the effect bc the "ye" was sent 7 minutes before my pinned message

dean-Today at 1:11 AM

i think my facial expression may have literally been "?????"

jmo11-Today at 1:11 AM

it feels really nice to hav my notebook back from liam

there was something in here i wrote abt kitty

ill try find i t

Ms.Murray-Today at 1:12 AM

we were talking about roles that different friends fulfill within a single person - and she says she goes to "" when she wants to be silly and have a laugh, and then comes to me when she wants to speak philosophically and emotionally

dean-Today at 1:12 AM

i lowkey also try to speak intelligently in front of you two

jmo11-Today at 1:12 AM

im not intelligent

Ms.Murray-Today at 1:12 AM

she says she doesnt lie to me but she changes the way she is presented

jmo11-Today at 1:12 AM

im an emotional creature

talk to me bb

bb talk by miley cyrus

great song

Ms.Murray-Today at 1:12 AM

jfc

jmo11-Today at 1:12 AM

oh it was just a drunk note

i said no to kitty too many times

nvm carry on

dean-Today at 1:13 AM

hey jos i found out im less vanilla than i thought

jmo11-Today at 1:13 AM

what

dean-Today at 1:13 AM

scratching v nice

jmo11-Today at 1:13 AM

like intense scratching or like light lvoing scratching

barrett is into scratching xx

dean-Today at 1:14 AM

i think

between the two

on my back

thx

jmo11-Today at 1:14 AM

just thought it might be a helpful fact

dean-Today at 1:14 AM

yeah but im never gonna fuck barrett so

jmo11-Today at 1:14 AM

who said anything about anything other than scratching

not me

dean-Today at 1:15 AM

you know what i mean cuck

jmo11-Today at 1:15 AM

he he gott ee

Ms.Murray-Today at 1:17 AM

this is the problem

jmo11-Today at 1:17 AM

what is

im making a conscious effort to be more like this

Ms.Murray-Today at 1:18 AM

what is -like this-

jmo11-Today at 1:18 AM

^"this is the problem"

there is no this tho

its just again the individual adaptability thing

last night dean didnt want to talk and i talked anyway for some reason but it had to shift this way

hasnt shifted back

Ms.Murray-Today at 1:19 AM

you speak as if it is atmospherical

not choice

-dean is talking to me "out of this" in pms rn

and he is good

are you, dean?

jmo11-Today at 1:20 AM

Yeah it's literally choice

Last night I said I would spend more time like this because he said it was better?

Maybe that's different wants from different people

@dean

dean-Today at 1:20 AM

it me

Ms.Murray-Today at 1:20 AM

ok, well lets not do the petty thing and fight about people like Lia does, hmm?

jmo11-Today at 1:21 AM

what

dean-Today at 1:21 AM

jo sthat lowkey makes me wonder

if i hated lia

would you reconsider ur opinion if me

jmo11-Today at 1:21 AM

i dont even understand

why is lia part of this conversation

who are we fighting about
dean-Today at 1:21 AM

no one

jmo11-Today at 1:21 AM

and no it wouldnt, lia hates olivia and it didnt change my opinion of her?
you have no reason to hate lia though, you don't know each other do you?
lia at least knows of olivia in a certain way
but either way

im actually confused

Ms.Murray-Today at 1:22 AM

r u fucking serious

dean-Today at 1:22 AM

no ofc i dont

Ms.Murray-Today at 1:22 AM

josiah

lia has never talked to me

jmo11-Today at 1:22 AM

can you @dean answer the question me and o asked above

dean-Today at 1:22 AM

which 1

jmo11-Today at 1:23 AM

lia has talked to cleo, you /know/ it makes sense -- its unreasonable but

"you speak as if it is atmospherical

not choice

-dean is talking to me "out of this" in pms rn

and he is good

are you, dean?

jmo11 - Today at 1:20 AM

Yeah it's literally choice

Last night I said I would spend more time like this because he said it was better?

Maybe that's different wants from different people

@dean"

dean-Today at 1:23 AM

i am good.

jmo11-Today at 1:24 AM

i still dont think i understadn

like

question time

and legitimate questions

Why not talk to me "out of this"? And why is "in this" better with me?

Why not talk "out of this" here?

Ms.Murray-Today at 1:24 AM

who are these questions to?

jmo11-Today at 1:24 AM

dean

When i try to talk to dean out of this i don't get responses or maybe i don't hear them

i'm just asking

@dean

dean-Today at 1:26 AM

we did talk out of this

i dont know

i just did

Ms.Murray-Today at 1:30 AM

Hey so can we move this convo into here?

both of u

dean-Today at 1:31 AM

sure

Ms.Murray-Today at 1:31 AM

Dean, I'm fine - I don't mean to worry you, please dont

Josiah - i know i couldve answered

and maybe i shouldve but it also hurt

because heres the thing:

jmo11-Today at 1:31 AM

then you should answer it now

Ms.Murray-Today at 1:32 AM

you respect and admire and like someone who thinks -the worst- of me

you respect and admire and like someone who has no valid reason to hate me
and hurt me yet

and it doesnt affect you

and you dont see how it affects me

jmo11-Today at 1:33 AM

i know what lia thinks about me

Ms.Murray-Today at 1:33 AM

ok

jmo11-Today at 1:33 AM

and you said you're staying in richard's homebase because it wouldnt fit "olivia"
to leaev

same thing

Ms.Murray-Today at 1:33 AM

is it the same thing?

does richard hate you?

does richard gossip about you?

jmo11-Today at 1:33 AM

lia doesnt gossip about you

Ms.Murray-Today at 1:33 AM

has richard had more than one fucking interaction with you?

SHE DOES

jmo11-Today at 1:34 AM

how do you know

Ms.Murray-Today at 1:34 AM

IVE HEARD IT FROM ELINDE

fuck you josiah

i love you so much

jmo11-Today at 1:34 AM

then i was wrong

Ms.Murray-Today at 1:34 AM

if you said something mean about dean or kitty - itd hurt me
because

1. i think you're intelligent, i respect your opinions

2. i really like you

3. i really like kitty and dean and obviously disagree

jmo11-Today at 1:35 AM

i don't think lia is smart enough or respectable enough for what she thinks about you to matter

does that make sense?

Ms.Murray-Today at 1:35 AM

ahhhh

josiah

jmo11-Today at 1:35 AM

i think you overestimate and underestimate my relationship with lia

Ms.Murray-Today at 1:36 AM

you really like lia - and i have no problem with that, its the fact you like me AS WELL

there is a def problem there - an inconsistency with beliefs

because to like someone is to believe in something

jmo11-Today at 1:36 AM

there is no inconsistency in beliefs; i understand why she dislikes you; i dont believe it

Ms.Murray-Today at 1:36 AM

-relationships are a type of belief

jmo11-Today at 1:36 AM

relationships do not mean you inherently agree with everything another person does

Ms.Murray-Today at 1:37 AM

ofc not thats not what im saying

jmo11-Today at 1:37 AM

being friends with someone does not mean you inherently agree with everything another person does

Ms.Murray-Today at 1:37 AM

uh ok josiah im gonna really do this

sorry

you love me, yes?

jmo11-Today at 1:37 AM

yes

Ms.Murray-Today at 1:37 AM

you feel passionate about me, yes?

jmo11-Today at 1:37 AM

yes

Ms.Murray-Today at 1:38 AM

then how can you stand entertaining someone that hates me - that tries to get other people to hate me

Because i cant do that

i cant do that with someone i love

and i dont see how someone can

jmo11-Today at 1:38 AM

my feelings about you are not lia's feelings about you and it is as simple as that we talked on tuesday

you think you love differently

maybe

ultimatley

oops like gross but

ultimately

i dont care about lia

Ms.Murray-Today at 1:38 AM

Dean, can you help me out here

jmo11-Today at 1:38 AM

i had no friends in year 9 and she was a friend i had in year 9

dean-Today at 1:39 AM

so you had a friend in year 9

jmo11-Today at 1:39 AM

and i am certain i matter more to her than she does to me

it doesnt change things

Ms.Murray-Today at 1:39 AM

ok

but from my perspective - do you see how it sort of perversely cheapens my view of your love for me?

let me explain

jmo11-Today at 1:39 AM

yes

Ms.Murray-Today at 1:39 AM

I have a few phrases:(edited)

jmo11-Today at 1:39 AM

it shouldnt

Ms.Murray-Today at 1:40 AM

"i love you"

and

"oops I'm turning into Lia"

"Hanging out with Lia"

"Lia did this"

shares messages between you and Lia

"Lia really doesn't like you"

I know it shouldn't, I really do

but

it's there in my head

jmo11-Today at 1:41 AM

Can I ask you

Ms.Murray-Today at 1:41 AM

ofc

jmo11-Today at 1:41 AM

How do you think Lia feels

Ms.Murray-Today at 1:41 AM

-in general-?

jmo11-Today at 1:41 AM

and knowing I care about you more

no, about this

about "sorry im busy with olivia"

Ms.Murray-Today at 1:41 AM

how does she know you care about me more

jmo11-Today at 1:41 AM

because we do things i never did with lia and that is obvious to her
lia feels like imt rying to get rid of her and has said this before
but ignore that
how do you think lia feels
about

sorry im busy with olivia

thats all

Ms.Murray-Today at 1:42 AM

I think it must feel p shitty

Can i ask you some things now?

jmo11-Today at 1:42 AM

always

Ms.Murray-Today at 1:43 AM

1 - so, is it empathy?

jmo11-Today at 1:43 AM

is what empathy

I think you try to overrationalize something that is irrational for me. The actual possibilities of loving for me are less inhibited than either you think they are for me or they actually are for you. It's not that I don't care; it's that I care about both sets of feelings; and one (yours) more than the other

I still don't understand how your first message about Lia fits me asking Dean to spend time 'not like this' b/c better

Ms.Murray-Today at 1:45 AM

im not gonna continue with question fuck it

explain less inhibited

jmo11-Today at 1:46 AM

explain less inhibited is that

i love you and i like all the time i spend with lia and

when you say things like this whcih are true and i understand

you are also asking for a conscious choice between you and lia

because

and in spite of the fact

Ms.Murray-Today at 1:46 AM

but it doesnt change it?

jmo11-Today at 1:46 AM

you know i will choose you

which means

Ms.Murray-Today at 1:46 AM

wooooahhhh

jmo11-Today at 1:46 AM

no

!!!

Ms.Murray-Today at 1:46 AM

im not asking for a choice

no

jmo11-Today at 1:46 AM

thats the thing !!!!

Ms.Murray-Today at 1:46 AM

im not

jmo11-Today at 1:46 AM

no no no dude tahts it

i feel it

but

Ms.Murray-Today at 1:46 AM

josiah im not

jmo11-Today at 1:46 AM

it

doesnt

change it

if what youre asking for is an acknowledgement then you have it ???

Ms.Murray-Today at 1:47 AM

ofc i always knew that haha - and thats the problem

and im not asking for you to decide or anything perverse like that - i really really
dont want you to think that I am

you understand - but you ignore

you do not challenge yourself

oops

not with this

jmo11-Today at 1:48 AM

maybe but

also

Ms.Murray-Today at 1:48 AM

and thats ok

jmo11-Today at 1:48 AM

it's not ignorant to like two people oops

and

it is harder

Ms.Murray-Today at 1:48 AM

i think someday you will - it just sucks cause i love you now, and it hurts now
when I have to try to justify it in my head

jmo11-Today at 1:48 AM

it would be easy for me to take steps 'away' from ignoring and to just cut lia off

that is easy

it is hard for me to try to make you like each other when you have never talked to
each other; and it is hard to be friends with you both when conversations like this
exist in both halves

that is hard

that is hard

Ms.Murray-Today at 1:50 AM

its not ignorant - it seems like it borders ignorance when it is so passionate from
her and there are things so passionate from you

and i'm sorry it's hard

im sorry that this conversatoin feels like this for you

jmo11-Today at 1:50 AM

it feels shitty when you question things like this that you already know because it
seems like you just seek affirmation that i believe what i do

and it feels like that's where it always ends up

Ms.Murray-Today at 1:51 AM

im sorry but

im pushing you

the same way you push dean

the same way youll have that convo with dean 1000 times but itll always end up
in the same place but you have it anyway

jmo11-Today at 1:51 AM

i don't know how dean feels about me

Ms.Murray-Today at 1:51 AM

-sorry dean, I love you

jmo11-Today at 1:52 AM

i think you know how i feel about you

Ms.Murray-Today at 1:52 AM

do you know how i feel about you

jmo11-Today at 1:52 AM

i also think so

Ms.Murray-Today at 1:52 AM

ok, good, i recognise the difference there

but

would you still push dean if you knew how he felt about you

jmo11-Today at 1:53 AM

it wouldn't be the same

i'm sorry but i wouldn't be asking for -- confirmation

that is what it feels like

Ms.Murray-Today at 1:53 AM

dean, you should come here

dean-Today at 1:53 AM

i am here.

Ms.Murray-Today at 1:53 AM

good

-it feels like i am asking for confirmation?

jmo11-Today at 1:54 AM

you know this too

i feel like you know what my answers are going to be it isn't worth takling about

like

i don't know what my conversations are supposed to be when every conversation i have is some like intersect between what someone sees me as and what someone wants to see me as

i don't know what i'm supposed to say about myself because then i'm only talking about myself in abstract

you wanna know about me not in abstract then you have me loving you and liking lia

and olivia has slept on my floor and lia has stood outside my door

Ms.Murray-Today at 1:55 AM

1 - could you be wrong about how i feel

2 - could you not be the only judge about what is worth talking about

3 - conversations aren't supposed to be anything

jmo11-Today at 1:55 AM

and olivia has left her clothes here and lia has worn a jacket over her clothes when with me

i could be i could be and sure

supposed to be / want to be

Ms.Murray-Today at 1:55 AM

josiah its ok

jmo11-Today at 1:59 AM

it might sound like it

trust me that this is not

jmo11-Today at 2:00 AM

my problem is that i have no identity other than the one defined at any given moment by the mirror cf. i am a good mirror

Ms.Murray-Today at 2:00 AM

for me asking and saying are the same thing - you know that questions are just answers

do you love me

etc

jmo11-Today at 2:00 AM

ofc

-- there is no way for me to talk to you about me because i will always talk to you about you // there is something there

whether talking about you is "talking about me" or not

answers i give are always about you in relation to you in relation to "me"(you)

Ms.Murray-Today at 2:01 AM

and you understand the problem right?

jmo11-Today at 2:02 AM

sure but you need to stop asking through it until it doesn't exist

it just magnifies

Ms.Murray-Today at 2:02 AM

you obviously dont know how i feel about you

jmo11-Today at 2:02 AM

that's the problem

you can ask but

idk how to describe what it does

Ms.Murray-Today at 2:02 AM

josiah

i know what it deos

and i hate to say this

i really do

but

i am going to kill myself - at some stage, at some time

what i have will kill me

i know this

and no one else does

and thats ok

but all i can do is ask

jmo11-Today at 2:03 AM

you underestimate other people

Ms.Murray-Today at 2:03 AM

because im going to die

ok sure

regardless

i have to ask

because i need something in my stomach

im a vampire

you know this

jmo11-Today at 2:04 AM

we've talked about this before

Ms.Murray-Today at 2:04 AM

but i dont think you understand about death

you will miss me askign

im sorry

but it will never believe you - and it will always force me to ask

because even It doesn't want me to die

not really

jmo11-Today at 2:05 AM

thats why you cant only be asking

does that make sense

emphasis

only

Ms.Murray-Today at 2:05 AM

so what the fuck else do i have to do

because josiah we do everything

jmo11-Today at 2:05 AM

anything else

you do it most of the time

exactly

Ms.Murray-Today at 2:06 AM

you are telling me things you think i havent thought about

jmo11-Today at 2:06 AM

i disagree

im just telling you things

Ms.Murray-Today at 2:06 AM

why

whats ur alternative

because it feels like you want soemthign to change

and so it should

jmo11-Today at 2:07 AM

i dont know what it is i want to change but

that in itself is the thing i want to change

Ms.Murray-Today at 2:07 AM

im sorry you love me ? like oops but

there is your exhaustion, and trying - and then there is loving me

jmo11-Today at 2:08 AM

im not exhausted

Ms.Murray-Today at 2:08 AM

if they are the same thing, maybe im genuinely bad for you

dean-Today at 2:08 AM

i think we all know that's not true

Ms.Murray-Today at 2:08 AM

idk dean

jmo11-Today at 2:09 AM

im trying to find something

Ms.Murray-Today at 2:09 AM

i think the real me - bare and naked, is v v v bad

jmo11-Today at 2:09 AM

the poem you wrote in my notebook

why are you here then

i cant

sleep

Ms.Murray-Today at 2:10 AM

there are 3 ways ive read that

in this context

jmo11-Today at 2:10 AM

theyre probably all right

Ms.Murray-Today at 2:10 AM

im really fucking sorry then

jmo11-Today at 2:10 AM

you havent and never will do anything bad to me

Ms.Murray-Today at 2:10 AM

"cant sleep"

you can

ok

jmo11-Today at 2:11 AM

thats not it

Ms.Murray-Today at 2:11 AM

both of you, i just want to say, you can leave at any time - like i hate the social obligation thing where people stay when they dont want to

jmo11-Today at 2:11 AM

i feel like my ribcage is inside my heart

not right now

all thet ime

Ms.Murray-Today at 2:11 AM

i hate when people leave but i hate when people stay when they dont want to

jmo11-Today at 2:12 AM

^

Ms.Murray-Today at 2:12 AM

which is which

jmo11-Today at 2:12 AM

what

Ms.Murray-Today at 2:12 AM

the above messages, are they together or are some in response to mine or

jmo11-Today at 2:13 AM

mine are together

i have no reason to leave

dean-Today at 2:13 AM

i do

but im not

Ms.Murray-Today at 2:13 AM

thank you both

dean-Today at 2:13 AM

what does that say?

Ms.Murray-Today at 2:14 AM

josiah, does this conversation feel pointless to you

or, uh not pointless, but is it confusing why we are having it

jmo11-Today at 2:14 AM

no

Ms.Murray-Today at 2:14 AM

Dean, it doesnt matter what it says

jmo11-Today at 2:15 AM

i hope my dad dies before my mum

there's an answer

Ms.Murray-Today at 2:15 AM

to what question

jmo11-Today at 2:15 AM

an answer

Ms.Murray-Today at 2:16 AM

ok

your dad is getting better with me

or i am getting better with him

probably the second one

jmo11-Today at 2:17 AM

both

he just needed to be told

Ms.Murray-Today at 2:18 AM

ok

is there a specific way youd like me to ask

jmo11-Today at 2:18 AM

no

know me for long enough

youll know

Ms.Murray-Today at 2:21 AM

hahah

jmo11-Today at 2:21 AM

No but that in itself

we are bad at following "paths" which you know "paths" are bad but i think its true

Ms.Murray-Today at 2:22 AM

do you know what my question about lia was?

and can you explain that second message

jmo11-Today at 2:22 AM

i dont remember the wording, i understand what you mean

second message

i just mean

we are bad at following something to its endpoint

mutual aka non individual things

bad at following

i asked dean the other night

your turn now

dean-Today at 2:23 AM

ok im out

jmo11-Today at 2:23 AM

tell me what you remember

i deleted that message on purpose

i hope you know what it means

- both of you

Ms.Murray-Today at 2:23 AM

i forgot

jmo11-Today at 2:23 AM

@dean when you read this another time

no

Ms.Murray-Today at 2:24 AM

shall we continue here for deans entertainment?

jmo11-Today at 2:24 AM

your turn

tell me what you remember
Ms.Murray-Today at 2:24 AM

about what
jmo11-Today at 2:24 AM

tell me what you remember
i remember

finish the sentence
over and over again

until you cant
Ms.Murray-Today at 2:26 AM

i remember running to the playground after mum told me, my aunty asked what happened and then i ran away and thats the end of that memory

i remember josiah saying "what" before he hugged me

i remember petrol hands and the smell of her cunt at her nanas house

i remember pulling the finger at my dad

i remember being fingered for the first time (sorry for crass message)

i remember saving my dads contact card after telling mum i threw it out but now i dont know where it is

i remember my memory box breaking

i remember thinking on tuesday how it must be for josiah to hear about my dad

i remember the way deans dad talked to my mum when i got in the car and they were both smiling

i remember the way ice cream tastes

i remember the way eye contact tastes

i remember the way i walked when i walked for 4 hours

i remember the imagine of josiah reading ulysses to me over the phone while i was giving a guy a blow job even then that never happened

i remember this dream i had about giant my little ponies stepping through and over this forest

jmo11-Today at 2:30 AM

(they both happened, though...)

Ms.Murray-Today at 2:30 AM

i remember thinking the dream was a nightmare but then it was just a dream

i remember having a crush on Lewis in primary school

I remember lewis because he looked weird

i remember petrol hands

i remember caitlins nana telling me caitlin was an old soul

i remember olivia saying josiahs soul was older than mine

i remember my mother telling me not to grow up

jmo11-Today at 2:31 AM

i was just going to say, i think your real name is olivia and hers is not
she changed hers

but it doesnt feel lik e hers

Ms.Murray-Today at 2:31 AM

i remember my mother crying and saying she was alone but i was right outside
the door

-I can continue but i dont want to so i wont

oh yeah it's Casper now, right? sorry for the fuck up

jmo11-Today at 2:32 AM

no it was good because

her name is olivia but it shouldnt be but her true name is casper

does this make sense

Ms.Murray-Today at 2:32 AM

yes

definitely

jmo11-Today at 2:33 AM

jessie is jessi's real name

Ms.Murray-Today at 2:33 AM

jessica

richard will always call her that by mistake

-if you want me to change homebases, I will

jmo11-Today at 2:34 AM

i understand why you would stay

i had a conversatoin with dean, the one at laurens, that i hope cemented the
decision to leave - obviously wasnt the whole or even a major part of the picture
but

it was just about spaces

you know it all

Ms.Murray-Today at 2:34 AM

I know

my question still remains - do you want me to change homebases?

which is a different question to how it is worded but hey

jmo11-Today at 2:35 AM

you know the answer

and you know i wont make you do anything

Ms.Murray-Today at 2:36 AM

yes but you dont want me to change because of you

jmo11-Today at 2:36 AM

thats wrong

the only thing that would make me happier than anything right now would be if
richard had noone in his homebase next year

i am serious

that is an answer to your comment, it is also serious

Ms.Murray-Today at 2:37 AM

my question still stands

i think i need to be there for kitty

-im asking what u think

jmo11-Today at 2:37 AM

you know what i think

ive never said anything else

Ms.Murray-Today at 2:38 AM

ok

jmo11-Today at 2:39 AM

i cant talk about this here but i'll say it here before shifting

actually no

im not even gonna talk about this

we dont need to rn

and should sleep soon

but i will say it here

i think you (both, but you) do mis-assess what art is for me. its not what you described it as on tuesday, it's the mechanism that makes dean go to bed.

Ms.Murray-Today at 2:40 AM

I didn't attempt to describe what art is for you on tuesday

-i would never

jmo11-Today at 2:41 AM

you said you feel like i only know how to talk about things when its radiohead close enough

Ms.Murray-Today at 2:41 AM

do you think thats what i meant?

jmo11-Today at 2:41 AM

no, i know what you meant

it also meant that's how you see me seeing it though

Ms.Murray-Today at 2:42 AM

no not at all

jmo11-Today at 2:42 AM

it is the perfect defense mechanism

we can talk and talk and talk and dean won't read it

Ms.Murray-Today at 2:42 AM

key parts of that sentence - talk, when.

jmo11-Today at 2:42 AM

same thing

Ms.Murray-Today at 2:43 AM

im not sure you understand

but you think you do

and thats good

jmo11-Today at 2:43 AM

think about all the things a when can be

then stop prioritizing the when

Ms.Murray-Today at 2:43 AM

when = effect

jmo11-Today at 2:43 AM

this is what i meant when i said earlier eeach situatioin counts

Ms.Murray-Today at 2:43 AM

as in cause

yes

jmo11-Today at 2:43 AM

yes

and thats why

when is not a when its hyperspecific and

its unfair that the word only was in there too

Ms.Murray-Today at 2:44 AM

-only-?

jmo11-Today at 2:45 AM

only, talk, when

Ms.Murray-Today at 2:46 AM

i didnt say only

only talk and when

lol

key parts of that sentence - talk, when.

jmo11-Today at 2:48 AM

i know

but only was part of the sentence

on tuesday

only was in it

Ms.Murray-Today at 2:48 AM

again, do you think thats what i meant

and do you think i was rationally thinking then

you were there

it was a highly emotive space

Ms.Murray-Today at 2:48 AM

i was really pushing

and I *hope* you know what i meant but again, i dont think you do

and i dont know how to word it

jmo11-Today at 2:49 AM

i dont think it matters what you meant or not

or

it does

but

Ms.Murray-Today at 2:49 AM

ok

I apologize then

jmo11-Today at 2:50 AM

don;t though

like

Ms.Murray-Today at 2:50 AM

i shouldnt say sorry as much as i do because maybe it feels effortless now

jmo11-Today at 2:50 AM

apologies are bad i think

Ms.Murray-Today at 2:50 AM

well, i want to because I regret what I said if it is taken literally

jmo11-Today at 2:50 AM

it doesnt matter

Ms.Murray-Today at 2:51 AM

ahhhhh

bullshit

everything matters

jmo11-Today at 2:51 AM

ive said it before

Ms.Murray-Today at 2:52 AM

every single thing should be analysed to its extremity and should be panicked over and about until it shivels up and DIEESSSS

jmo11-Today at 2:52 AM

the problem with thomas pynchon is that he writes like everyone is like him

thats all

its about the same thing

Ms.Murray-Today at 2:52 AM

i dont read it as a problem

jmo11-Today at 2:52 AM

no, thats not what i mean

the problem for him

his life must be hard

Ms.Murray-Today at 2:52 AM

ofc

jmo11-Today at 2:52 AM

how often must he realize

Ms.Murray-Today at 2:52 AM

he is alone

well maybe not

he must love few people tho

jmo11-Today at 2:53 AM

yes

his son and maybe his dentist

Ms.Murray-Today at 2:53 AM

ahaha

omfg

jmo11-Today at 2:53 AM

i alaso mean that though

like its a joke but im also kind of serious

do you know what i mean

Ms.Murray-Today at 2:53 AM

i believe you haha

i was gonna say his gynocologist

?

so

jmo11-Today at 2:54 AM

nice

it is hard loving you and dean in different ways

i knew the ways

then i forgot them

Ms.Murray-Today at 2:54 AM

wow

when you find out you should tell us(edited)

jmo11-Today at 2:54 AM

ah

Ms.Murray-Today at 2:54 AM

not the ways - just how they are different

does that make sense?

jmo11-Today at 2:54 AM

i trust you both

i dont know how to differentiate yours specifically yet

but trusting dean is different to trusting you because i cannot trust that my trust in him is trustworthy

1

lots of paradoxes in that sentene

Ms.Murray-Today at 2:55 AM

(you wont for a long time if its gonna happen like you want it to)

I really really really like that sentence like - beyond its meaning

jmo11-Today at 2:55 AM

He asked earlier today somewhat fairly and somewhat unfairly

why I hadn't mentioned about liam buying my vodka earlier

simple practical example but

i trust that dean won't tell his mum but i don't trust that i actually trust that, and i also externally dont trust that because of lauren, even though i trust what he says, i dont know if i trust what h does

i think i trust what you do more

Ms.Murray-Today at 2:57 AM

ok

do you think that will stay the same once you know how he feels about you?

jmo11-Today at 2:58 AM

i dont know

sometimes (like when dean punches me and then we talk outside and rose interrupts us) i know how he feels

maybe that is the problem

none of dean's feelings feel infinite

sorry, not a problem, don't mean to imply that

Ms.Murray-Today at 2:59 AM

how do you feel about dean reading these messages now

jmo11-Today at 2:59 AM

just a contradiction

i wouldnt be sending them if i wasnt ok with it

Ms.Murray-Today at 2:59 AM

ofc - but how do you feel about it(edited)

jmo11-Today at 2:59 AM

he probably wont tell me about them

i feel much calmer about it this way than i do when i try to talk to dean about it directly

Ms.Murray-Today at 3:00 AM

i feel the opposite with everything with you

jmo11-Today at 3:00 AM

that is the same for me

i think i try to make it work that way with dean bc it works for me with you

sometimes it takes a bit

it must be very confusing

Ms.Murray-Today at 3:01 AM

deffff

defff

yayyyy

im so glad u feel that way

and also - everything takes ages with us because we are really stupid

jmo11-Today at 3:03 AM

this is true

on which note

i should go to bed 4 hours after i said i would

Ms.Murray-Today at 3:03 AM

hahaa u probably should

wow

rip you tomorrow

dean-Today at 8:11 AM

@Ms.Murray you dont have to stay for kitty because kitty is staying for richard

Ms.Murray-Today at 10:16 AM

Very well said

jmo11-Today at 10:18 AM

legit

Ms.Murray-Today at 10:28 AM

Fuck, Dean - really really good

dean-Today at 7:21 PM

@Ms.Murray for real - don't stay with richard bc of kitty
