Josiah

7:41 pm

yes

Me

7:42 pm

<3

Josiah

7:43 pm

im pretty sure keanu plays the dissonance w his father better than any other actor does or
has
oops

Me

7:43 pm

i agree within a much smaller spectrum ofc

Josiah

7:43 pm

mm
idk his performance only grows
k is someone i slowly realized more n more
i loved

Me

7:44 pm

...

Josiah

7:44 pm

my real father; my true son

Josiah

7:45 pm

THERES NO REASON TO KNOW THE TIME WE ARE TIMELESS

Me

7:45 pm

that is exactly how i feel about the question "why are we here"

Josiah

7:45 pm

idk if youve ever read any shakespeare before
but it so rarely feels like this

Me

7:46 pm

R&J Macbeth

Me

7:47 pm

rough

Josiah

7:47 pm

i have a joke i wanna play

its so easy to fetishize river dying like this

i dont mind that

i have a joke i wanna play i cant play it alone

Me

7:48 pm

i think i mind it

Josiah

7:48 pm

i mind it in theory but not when its like this

this shot

fuck

keanu next the opening of doors onto roads

it will impress them more when such a fuckup like me turnsg ood

Me

7:49 pm

jesus

o dont think being that person but

fuck

Josiah

7:49 pm

o dont think being that perosn but?

Me

7:50 pm

*I don't like being that person but

in response to

Josiah

7:50 pm

yeah

Me

7:50 pm

"it will impress them more when...."

i dont think i need to finish the but

Josiah

7:51 pm

u space scumbags

u have seen gus before btw

the sea of trees is him

Me

7:51 pm

yeah

Josiah

7:51 pm

weird thing to see first

Me

7:52 pm

reminiscent of Fisher King

Josiah

7:52 pm

yes

Me

7:53 pm

ugh these images

Josiah

7:53 pm

yes

were still alive

yeah thats obvious isnt it

Josiah

7:55 pm

he taught me better than school

dean would never understand this movie because he thinks people like this are inherently bad

Me

7:56 pm

i hope dean never sees this movie

Me

7:56 pm

sorry

Josiah

7:56 pm

itsok

Josiah

7:59 pm

his framing is so unorthodox like
purist accidental shooting its so good

Me

7:59 pm

children

Josiah

8:00 pm

this is a good thing for them
they are havign fun

Josiah

8:01 pm

fuck you

he goes

Me

8:02 pm

...

Josiah

8:03 pm

these interludes agh
gus grew up in the 60s when this was the way artists lived and

Me

8:04 pm

The Art Life

Josiah

8:04 pm

that sign is so funny

Me

8:04 pm

this movie is really funny
and sad

Josiah

8:05 pm

like a fucked up face like its saying have a nice day or something see scott?

THIS SCENE

HOLY SHIT

just

Them

u asked how keanu carried on

this scene feels like that for me

wherever, whatever, have a nice day

Me

8:08 pm

Oh josiah

Josiah

8:09 pm

i know

Josiah

8:11 pm

tourists do not laugh at the native people

fuck

"that place"

"your mum"

"that place"

Me

8:14 pm

!

Josiah

8:14 pm

imagine

having other peoples portraits

Me

8:15 pm

have you ever read an underlined book that someone else owned?

Josiah

8:15 pm

to know the truth

i know the truth

i mean the real truth

only small fragments

Me

8:15 pm

thats other peoples portraits

Josiah

8:15 pm

this movie feels maybe the most real to me
of every movie

Josiah

8:15 pm

and u know me i dont like movies that are real
except this one

Me

8:15 pm

I know <3
i hope this doesnt hurt but

Josiah

8:16 pm

HEDIDNTLOVEHER

Me

8:16 pm

it is good that you don't avoid this movie

Josiah

8:16 pm

i kno

german actor
has done like 300 movies
and worked with basically everyone important
w.in his lifetime

Me

8:20 pm

he's very good

Josiah

8:20 pm

yes

<3

Josiah

8:22 pm

omfg

kier boutta kill it

Me

8:22 pm

holy shittt

my fav

Josiah

8:22 pm

hes in most of lars pre-Depression trilogy movies

he might be one of the background people in melancholia idk

Me

8:23 pm

i cant remember

Josiah

8:23 pm

ofc ofc if he is hes only minor at the wedding

Me

8:23 pm

lol

Josiah

8:23 pm

i cant believe this

coexists in the same movie as

i could love someone if they didnt pay me i mean i love you

Me

8:23 pm

yeah

it is real

Josiah

8:24 pm

thats i think what blocks some people from this mvoie
cleaning my house little dutch boy
is a joke not a real

Me

8:24 pm

they look for one thing
this is 100 things
it is life
not poetic life

Josiah

8:24 pm

HOEUWHGOUR
AND THAT ITS NOT PHOTOS
ITS LITERALLY SHOTS

Me

8:24 pm

<3
that was amazing
imagine holding that

like wtf

Josiah

8:25 pm

yes

Me

8:25 pm

acting in a film like this

!!!!

Josiah

8:25 pm

gus is a literal dream

all of hsi movies even the failures ie sea of trees are so like
complete

u feel him in each of them

/ur bike.

Me

8:25 pm

sea of trees wasn't a failure

Josiah

8:25 pm

ofc not

it is -- problematic

Me

8:26 pm

yeahh

Josiah

8:26 pm

naomi watts is amazing in it

omg

how big though

Me

8:26 pm

Idaho = blue , rome = red

Josiah

8:26 pm

keanu never says i love you btu river sleeps on him and he takes him to rome

Me

8:26 pm

opposites

GR opposites

Josiah

8:26 pm

and gus van sant is green

-- gus van sant is green

(really important for ~when~ not if we get to seeing both versions of Psycho)

Me

8:27 pm

i hope we stay together

Me

8:27 pm

pause ill reload

Josiah

8:28 pm

good?

Me

8:28 pm

yep

Josiah

8:28 pm

can you play it

sry my screen just glitched for a sec

ugh

reversal of keanu windows

omg

it feels so good to me that keanu headlined the first blockbusters ever directed by

transgender women like

idk it is so important re:

being this role

being that star

being in female directed action movies

its a minor and political thing but it is important i think

.....help

Me

8:31 pm

she knows your mum
where

Josiah

8:32 pm

gus van sant is so good bc he is an experimental filmmaker who learned hwo to tell stories

Me

8:33 pm

that way k looks at him

Josiah

8:33 pm

yes
two guys cant love each other

Me

8:33 pm

<3

Josiah

8:34 pm

dont blow smoke at me
its the smoking area

Josiah

8:39 pm

its just other streets

Josiah

8:40 pm

waking up on af uckign plane

Me

8:40 pm

so clever

Josiah

8:40 pm

disorienting.

yck

HAVE A NICE DAY

Me

8:57 pm

Josiah

8:57 pm

im pretty sure the best part of the entire movie is
have a nice day

a film by gus van sant
what the fuck

Me

8:58 pm

we needed this

Josiah

8:59 pm

movie feels so good

Me

9:00 pm

my dad tried to kill himself when I was 7 years old

Josiah

9:00 pm

im not sure what to say

Me

9:01 pm

Josiah

9:07 pm

Me

9:07 pm

im only sending it because it shouldnt carry onto next term

Josiah

9:08 pm

ok

Me

9:09 pm

I miss River

Josiah

9:09 pm

yeah

it feels like that

Me

9:10 pm

good music

Josiah

9:10 pm

i didnt know what to play but had to play something and it had to be gay male alternative

Me

9:11 pm

idk

i think it just had to sound like this

Josiah

9:11 pm

the only music that sounds like this
is gay male alternative

Me

9:11 pm

ok

Josiah

9:12 pm

james franco made a beautiful movie
my own private river
gus van sant gifted franco all footage shot during mopi
and franco edited his own cut of the film about river
it is a beautiful movie

Josiah

9:14 pm

i only know how to talk about things like this with because of enabled by a rt idk

Josiah

9:16 pm

"-They didn't diagnose her with anything, which she thought meant that she was so sick that they couldn't diagnose her with any known disorder. But I don't think she was mentally ill, I think they didn't diagnose her because she wasn't sick and it hurts me that she wanted to be."

there are too many people like this

maybe not too many

Me

9:19 pm

i only know how to talk about things like this with because of enabled by a rt idk

?

Josiah

9:19 pm

it means what it says

Me

9:20 pm

Yeah, it makes me feel like spiders around my stomach

"things like this with because"

Josiah

9:20 pm

theyre alternative words

this (with (because

Me

9:21 pm

ok

i think i understand

Josiah

9:21 pm

probably

Me

9:21 pm

probably

Josiah

9:21 pm

the best to hope for

Me

9:21 pm

reply in an email rethings so i have it

Josiah

9:21 pm

ok

Me

9:21 pm

thank you

Me

9:24 pm

do you have a show tomorrow

Josiah

9:24 pm

yes

ill be out 9:30 - 2:30 ish

courtneyr emidns me of kitty

or

kittyr eminds me of kitty

or

kitty reminds me of courtney

Me

9:26 pm

thats interesting

Josiah

9:26 pm

maybe

Me

9:27 pm

-if-

i hope richard goes to my funeral

Josiah

9:27 pm

he would watch the movies you gave 100

Me

9:27 pm

i gave MOPI 100

Josiah

9:27 pm

im glad

Me

9:28 pm

this feels more like shae to me

Josiah

9:28 pm

my granddad got distracted by this song when driving today

Me

9:28 pm

your grandad sound sweet

Josiah

9:30 pm

i feel better now
it takes that long
always

Me

9:30 pm

Im glad
really

Josiah

9:31 pm

this music is going to sound different to everything else
when it comes out properly

Me

9:31 pm

u should play chromatics next

Josiah

9:31 pm

ok

Me

9:32 pm

i dont talk about the people i love

Josiah

9:32 pm

that ca be a good thing

Me

9:33 pm

i think it is

i just didnt know if you knew

my brothers

c

e

Josiah

9:33 pm

i know i was going to say your brothers

Me

9:33 pm

i hate when people talk to my mum

dean in my car felt awful

it felt like him trying to get my to cum

(sorry)

but i liked seeing you talk to my mum

Josiah

9:34 pm

thats what he seems like all the time i think

Me

9:34 pm

you, richard, florian, kitty, lauren are the only people i'd let talk to my mum

Josiah

9:34 pm

i could feel your mums eyes on me when we were looking at gravitys rainbow i dont rememer anything else

Me

9:35 pm

your mum wants me to date you or dean
its so awkward

Josiah

9:35 pm

one day we need to listen to carly rae emotion in full because of the thing i said int he email

Me

9:35 pm

yes

on our album day

Josiah

9:35 pm

maybe not

like id say yes

but

it has to play when you feel really bad but not bad enough to not feel good

like when you feel really bad but can start feeling better

thats what it feels like

Me

9:36 pm

ok

i dont want to sound depressive and awful but

i rarely feel like that

which isnt that depressive

actually

Josiah

9:36 pm

i kind of expected a response like that bc its a rare feeling 4me too

but idk i think thats when it wroks best

it sounds the best when im not expecting it to

carly rae is a vampire who regresses from a bloodsucker to someone being sucked across
the course of the album

Me

9:37 pm

Good

Josiah

9:37 pm

pop star to 35 year old mum

Me

9:38 pm

i love this song

Josiah

9:38 pm

yeah

i cant wait for monday

Me

9:38 pm

Florian can't either

We still need to watch Blue Velvet

Josiah

9:38 pm

yeah

im not in the lynch space anymore except for new TP

today kind of broke that i think

dissonant exploration for a while for me now maybe

i bought MOPI today

and zodiac

and 'r xmas

and southland tales

and something else

Me

9:39 pm

oh good

Josiah

9:39 pm

every tim ei list the 5 i bought i forget one of htem

and its always a different one i forget

Me

9:39 pm

i was meaning to ask you

Josiah

9:39 pm

?

Me

9:39 pm

what films you bought

Josiah

9:40 pm

the other one i bought is poltergeist

which is a beautiful film

there is an article that just got released about "post-horror" which is shit

just make horror movies dont try be smarter than ur genre

split is post horror

because it engages

twin peaks is post horror bc it engages ah

Me

9:40 pm

And now you're just a stranger's dream

Josiah

9:42 pm

i have listened to this song
every day on my way to school
since it came out

Me

9:42 pm

interesting

Josiah

9:43 pm

september s going to be amazing just for this album
have you heard any Foster the People other than pumped up kicks?

Me

9:43 pm

my mum wants me to do something big for my 16th

Josiah

9:43 pm

like what

(the first sign divides us)

Me

9:44 pm

i havent for ages, i did when they were "a thing"

I'm good at recognising sounds though

Josiah

9:44 pm

FtP were the first thing that made me realize music and evermore's uh

truth of the world

was influential as heck 4me

lcd really are like a bowie that wrote techno

Me

9:45 pm

yes

im throwing out books that my family bought me
it feels so awful

Josiah

9:45 pm

(you should do something big for your 16th if it will make others good, but do something small as well)

Me

9:46 pm

it feels guilty throwing them out
but it feels more guilty having them on my shelf

Josiah

9:47 pm

when i was 6-10 ish
we used to put books in packages that santa would take away and give to kids who didnt own any books
and on our doorstep would arrive secondhand books that santa brought from other kids

Me

9:47 pm

i really like that

Josiah

9:47 pm

i dont know if i still own any or not

Me

9:48 pm

i will do something big if it is not at my home

Josiah

9:48 pm

i understand

Me

9:48 pm

i will do small things

sometimes i feel like i need to ask for permission to speak completely freely

just because im conscious of the different spaces

Josiah

9:49 pm

if u ask theres a risk people will say no

Me

9:49 pm

i know

i rely too much on intuition

not too much

maybe just enough

Josiah

9:50 pm

dean said something good on thursday night he said

he felt bad because rowan didnt come to school because dean touched hiim too much on
wednesday

Me

9:50 pm

He is trying

Josiah

9:50 pm

he was right though

Me

9:51 pm

i know

i just mean

Josiah

9:51 pm

how late are you gonna be up

Me

9:51 pm

other people

im not sure

Josiah

9:51 pm

can we do e-mo-tion tonight maybe
its ok if not its a weird vibe shif t

Me

9:51 pm

im not sure

Josiah

9:51 pm

kkk

Me

9:51 pm

ill let you know

Josiah

9:51 pm

no worries
have you seen the other video for this

Me

9:52 pm

no i havent

Josiah

9:52 pm

ill play it next it is crazy

Me

9:52 pm

amazing song though

Josiah

9:52 pm

the other vid interrupts the song so this is the one i play but you'll see what i mean

it is amazing

arcade fire are crazy i forget hwo much i love them til they release new music always

i cant believe how good its gonna sound to listen to new AF and LCD together

their singles ar eso linked

we can turn off this vid if it gets annoying but

its so good

Me

9:54 pm

-i watched the finale of this medical show i watch with mum and this girl died in hospital. I immediately thought of you dying and my watching it happen, i went for a run and tried to find a street i've never walked down before and I thought that helped

-But when I got home I fell asleep and dreamt of my friend Eva coming to christchurch and having no where to stay because I can't invite her around because i can't let my mum know that we are still friends

Josiah

9:54 pm

ok

Josiah

9:56 pm

the pills themselves aren't actually asleep

Me

9:58 pm

very good video

Josiah

10:00 pm

just one song

Me

10:00 pm

you could play a ftp album after this if you wanted to

Josiah

10:00 pm

i dont like either of their full albums enough

just individual songs

Me

10:00 pm

ok

Josiah

10:00 pm

this song

i think

was the first song that

i listened to lyrics of

Me

10:00 pm

i dont know individual songs

Josiah

10:01 pm

goats is better

Me

10:01 pm

mm

im still surprised at how big Pumped up got

Josiah

10:02 pm

yeah

same

its a dark dark dark song

Me

10:02 pm

it came out of nowhere

like culturally what

Josiah

10:03 pm

i remember itunes releasing it for free

when they had free singles each week

and noone knew what itw as

and a month later

bang

ive been bitten by an enemy thats pretended 2 be my friend

Me

10:03 pm

<3

what do you feel the most

Josiah

10:04 pm

there is no most

Me

10:04 pm

-what do you feel

Josiah

10:04 pm

maybe anger

Me

10:04 pm

you havent been like this in a while

"like this" bad term sorry

Josiah

10:04 pm

im going to play one more ftp song. it is not a ggreat song but it has a sonud that matters lots

what do you mean by that

Me

10:05 pm

by?

Josiah

10:05 pm

tcomment

someone read something today

or said something

somewhere something happened idk what it was or where

and it was like the best meter ive ever heard in a poem

and i dont remember where it was or what

wtf

Me

10:06 pm

- "like this" is a bad term because we are never like anything, we are never anything twice,
we dont become and shapeshift - we are always one

Josiah

10:06 pm

mmm

Me

10:06 pm

TP feels

Josiah

10:06 pm

just the two verses

i dont care about the rest

but these verses are crazy

rhythm of word

Me

10:06 pm

ok

fuck

Josiah

10:07 pm

?

Me

10:07 pm

New York

no, its good

Josiah

10:07 pm

miley cyrus and her dead petz is an amazing album

Me

10:08 pm

did dean talk to you about my dad

Josiah

10:08 pm

he only mentioned

he didnt

"Talk to me"

Me

10:08 pm

i thought he would

Josiah

10:08 pm

about it

Me

10:08 pm

he said i might talk to josih about it 3x

Josiah

10:09 pm

you can talk about it if you want to

Me

10:09 pm

i havent listen to this album before

Josiah

10:09 pm

miley cyrus is a persona i am so interested in too
the only time a male pop artist has ever been criticize the way people like miley and carly
and rihanna are is robin thicke
this album i shideous it is amazing
her producers told her it was too long so she wrote three extra songs

Me

10:10 pm

out of any celbrity ive seen - miley cyrus tries to be the happy the most

Josiah

10:10 pm

thats hwat makes this album s weird and dissonant
and so hated

Me

10:10 pm

mm

Josiah

10:10 pm

is it ok if i play a couple other songs from it
i can never sit through it all
but

Me

10:10 pm

she tries so much to be ok for the world

Josiah

10:10 pm

bits of it at once

Me

10:10 pm

yeah

Josiah

10:10 pm

are perfect

Me

10:10 pm

my dad is infecting richard
richard will hate me soon

Josiah

10:10 pm

what is happening

Me

10:11 pm

they are emailing each other

Josiah

10:11 pm

do you know why though

Me

10:11 pm

the gold is growing in richards stomach

he told me to go home - josiah

he told me i was a liar

my dad has gotten into him

has fucked him

Josiah

10:11 pm

do you know when the emails started

i know it doesnt matter but

as much as the fact they are hapening that is

miley cyrus is audrey horne

Me

10:12 pm

i saw an email from my dad come up on richards computer

Josiah

10:12 pm

i can imagine this song playing in the bang bang bar

Me

10:12 pm

and my dad was sympathising about richards chicken pox

Josiah

10:12 pm

yeah

Me

10:12 pm

he knew that

Josiah

10:12 pm

ok

Me

10:12 pm

no

its not ok

Josiah

10:13 pm

thats nto what ok means

Me

10:13 pm

i know but jesus

Josiah

10:13 pm

ik

have you talked to richard

i don tthink you should

but have you

Me

10:13 pm

i havent

i want to

i wont

hes gone

u will go too

Josiah

10:13 pm

richard wont understand until he has to
i wont go
theres nowhere else to go

Me

10:14 pm

hell get to you
he has a kid
he might come to your show

Josiah

10:14 pm

that doesnt mean i will know

Me

10:14 pm

please dont let him touch you

Josiah

10:14 pm

so fw people o

people hate this song btw so tell me to turn it off if youw ant

but idk if any pop artist has been this honest

there wont be contact its ok

Me

10:16 pm

will u talk to richard

when he needs to know

Josiah

10:16 pm

if you want me to

Me

10:17 pm

you will need to be alone for a while

Josiah

10:17 pm

me or me and richard what do you mean

Me

10:17 pm

but certain people will need you to be ok
no, i just mean after

Josiah

10:17 pm

mmmmm
on friday ryan said
"huh, youre welcome"
out of nowhere

Me

10:18 pm

i feel like he has started moving
idk why

Josiah

10:18 pm

maybe

Me

10:18 pm

david never met him
thats why he stayed

Josiah

10:19 pm

paige had a house that smelled like carrots

Me

10:19 pm

carrots dont help you see in the dark

Josiah

10:20 pm

i cant believe she wrote this album
she released this album the day after the robin thicke incident

Me

10:21 pm

i like the title: "Karen dont be sad"

Josiah

10:21 pm

ill play it next

Me

10:21 pm

ok

Josiah

10:21 pm

and ill play her song to her dead blowfish too
and that might be enough

Me

10:22 pm

enough
is a good word

!!!!!!

Enough Despite Desperate

Josiah

10:22 pm

ofc

Me

10:22 pm

my favourite string of words

Josiah

10:23 pm

i think richard doesnt understand art because

he values too much that a machine has strung together every combination of words possible

gravitys rainbow exists in that library somewhere so thats why it matters less

Me

10:23 pm

Maybe

if true - he is wrong

Josiah

10:24 pm

obviously not the inception point but idk how to say that better

Me

10:24 pm

yes

Josiah

10:25 pm

she performs songs from this album insanely

Me

10:25 pm

the best physical contact ive ever had with anyone was when Nequila patted my head
because she wanted to fuck me

Josiah

10:26 pm

miley is like some crazy tribal princess some juliet some lolita some cleopatra but now and without an audience

Me

10:27 pm

she is a Pocahontas that fucking killed all the white people

Josiah

10:27 pm

i lied im going to play twinkle song too
but only because its live as well
and then pablow
and there nough
sorry

Me

10:27 pm

enough despite desperate

Josiah

10:29 pm

im not scared by social media im scared that girls like sophia percy think theyre famous
because they recorded some songs with a producer at the age of 15 and that dean thinks a
relationship status > a relationship

its not the advancement thats bad its us with it

Me

10:30 pm

my mum would love this song if she didnt know it was written by miley cyrus
all evil is in the mind

Josiah

10:30 pm

this song oh my god
this is hannah montana singing

Me

10:30 pm

as long as the mind exists - every advancement is at the mind's mercy

Josiah

10:30 pm

ofc

Me

10:31 pm

I really want to fuck dean so everything would be over

itd just be done

he'd be shattered and everything would just be okkkkkkkkk

Josiah

10:31 pm

hes going to be a really ugly fucker

oops

Me

10:31 pm

hahah

thats the first time ive laughed today

jfc

Josiah

10:32 pm

i dont even mean it in a funny way tbh

like

Me

10:32 pm

eufwigrbaw

Josiah

10:32 pm

the workmans sex

Me

10:32 pm

im gonna cry from laughter
holy shit

Josiah

10:32 pm

ihaveneedsyouknowwoman

Me

10:32 pm

soufrsebgthrsfe

fuck

amazing

Miley <3

Josiah

10:33 pm

shes so good what the fuck

Me

10:33 pm

can we be really mean for a second

Josiah

10:33 pm

ofc

Me

10:33 pm

dean is the opposite of who i want to be around

Josiah

10:33 pm

omg

OMG MILEY

Me

10:33 pm

when I am an adult, I will avoid people like him

Josiah

10:33 pm

that makes sense

Me

10:33 pm

she is beautiful

i have never seen her like this before

i will find her now

Josiah

10:34 pm

this performance is amazing too

imagine owning a blowfish and thinking abt this

Me

10:35 pm

she reminds me of jennifer

Josiah

10:35 pm

which jennifer

Me

10:35 pm

remember and ask me another time

Josiah

10:35 pm

ok

Me

10:35 pm

sorry i always do that

Josiah

10:35 pm

i love that it is
pablow

Me

10:35 pm

v good meme

Josiah

10:35 pm

um

Me

10:36 pm

i feel bad because i am so selective and hard to please and high maintenance and knives under tongue

Josiah

10:37 pm

selective is good and so is hard to please and high maintenance is relative

Me

10:37 pm

but i dont feel bad for myself - i feel bad everyone else
i dont belong her
*here

Josiah

10:38 pm

can i play one carly

Me

10:38 pm

yes
ill brb, just making a drink

Josiah

10:38 pm

let me know when yr here

Me

10:46 pm

herer

sorry that took a long time

Josiah

10:46 pm

i wanted to wait

just because

this song is maybe

the best example of what i said in email

idk

and also bc shes amazing live

Me

10:47 pm

i meant it when i said I forgave dean btw

Josiah

10:47 pm

i know

her music kinda feels like river by a fire to keanu to me but like pretending to be nice and happy

Me

10:48 pm

and trying to be easy to chew

Josiah

10:48 pm

i dont think its trying to be that i think thats how she writes
likes pop music loves it

Me

10:49 pm

ok

that how it feels to me

Josiah

10:49 pm

hang on

Me

10:49 pm

no keep it playing

Josiah

10:49 pm

mmm but this song will make it make sense
the genuine

Me

10:49 pm

ok
i never said it wasn't genuine?
just btw

Josiah

10:49 pm

mmmm

the

"easy to chew"

idk store is a rly complex song

Me

10:50 pm

u misunderstand

Josiah

10:50 pm

bc it has what feels like should be

" ameme chorus"

but idk the context

Me

10:50 pm

easy to chew does not mean easy

Josiah

10:50 pm

idk if you will like thsi song or not

probably not

but

the context that sits around the central line here

-- that's where we're going,

-- im just going to the store

Me

10:51 pm

i actually like that

i do

Josiah

10:51 pm

i wonder what will happen when something really bad happens to her

thats awful but like

Me

10:52 pm

"she's pretty, i wonder if she's dead"

Josiah

10:52 pm

imjustgoing2thestore to me is like a steve jobs did a good job / so is most of her music
yeah

Me

10:54 pm

me?

Josiah

10:54 pm

if you want

Me

10:54 pm

sorry change in ur vibes

Josiah

10:54 pm

theyre not different vibes

Me

10:54 pm

ok

read ur emails

Josiah

10:55 pm

okok

Me

10:55 pm

i wanted to send it here but i wanted it to be a reply
so i was going to type it here as well
but then i didnt want you to read it twice

i want my last birthday to feel like this

Josiah

10:56 pm

ok

Me

10:58 pm

have you watched sala samobojcow?

Josiah

10:58 pm

no

Me

10:58 pm

u should

Josiah

10:59 pm

i will

Me

11:00 pm

the mice are dancing

Me

11:01 pm

olivia has the remote in josiahs room

Josiah

11:02 pm

liam

Me

11:02 pm

i wonder whats wrong with me

Josiah

11:03 pm

tomorrow

read the next two sections of gravitys rainbow

the next one is short and easy and roger and jessica

the one after that is long

and The Kenosha Kid

but important

Me

11:03 pm

ok

Me

11:06 pm

i could be nicer to michael

Josiah

11:06 pm

everyone could be
when he wants to tell me things i ask him to email it to me
it means he has to say it short

Me

11:07 pm

i know
it is hard though
i will be better to him next term

Josiah

11:07 pm

scott my production manager was good to him today

he asked michael questions for half an hour about presidents of the united states because michael was excited he had memorized all of them

Me

11:08 pm

it was interesting that richard talked to you about michael

Josiah

11:08 pm

michael is the kind of person who could one day make a notoriously bad film

& he is the kind of person who loves watching films that are notoriously bad because they are bad

i don't even mean that in a mean way, neil breeen's fateful findings is one of the best films ever made partially because it is so alien in craft

"bad"

Me

11:09 pm

he is the kind of person that will one day make a simple girl very happy

Josiah

11:09 pm

have you met michael's mum?

Me

11:09 pm

no

Josiah

11:09 pm

shes one of the best people ive ever met

Me

11:10 pm

i hope you never iron out your inner conflicts

Josiah

11:10 pm

can you say that differently

Me

11:10 pm

um

just a minute

Josiah

11:11 pm

ok

Me

11:11 pm

I'll say it three ways

Josiah

11:12 pm

ok

we need to watch After Last Season one day so you can understand what i mean about michael better

:

it is a "bad movie" but one of my favorite films ever made
every bad choice is made for a reason
and every bad performance is exactly how it should be
thats all

Me

11:14 pm

1. I hope you leave your inconsistencies alone

2. I hope you reach for the highest apple and then look at your hand and it's shard of glass
and I hope you bite into it anyway because there wont be any worms

3. Reject your own advancement for your own advancement

-one of the most attractive people on earth, Chris <3

Josiah

11:15 pm

mm

ill bebac k soon

Me

11:15 pm

ok

Josiah

11:16 pm

nvm im not going

Me

11:16 pm

everything ok

Josiah

11:16 pm

ye

Me

11:16 pm

I'll trust u

Josiah

11:16 pm

good

Me

11:17 pm

her voice is one of the best sounds

Josiah

11:18 pm

v honest

Me

11:18 pm

the ride back from camp was nice

Josiah

11:18 pm

yes

dylan tagged ryan in a post today that said something like
"tag someone you couldn't live without"
which is a joke and also not

Me

11:19 pm

<3

I love how they all make the "you're so gay" jokes around you

Josiah

11:19 pm

theyre rly good

Me

11:20 pm

im gonna play a song enxt which is v romantic classic love song bleh
but it has a really really interesting verse about elvis and jesus

Josiah

11:20 pm

ok

Me

11:21 pm

i've been falling asleep to this song recently

Josiah

11:22 pm

i have just been falling asleep recently

Me

11:22 pm

too much

Josiah

11:22 pm

i need to before i can stop again

Me

11:22 pm

i know

cyclical

listen to this

it comes out of nowhere

fuck

elvis find jesus

Josiah

11:23 pm

good

Me

11:23 pm

this song reminds me of Caitlin

i never talk about her

but you should know her

Josiah

11:23 pm

ok

tell me

Me

11:24 pm

im not good at being loved

she is the only person who i believe

she hasn't returned my messages or calls in over a year

Josiah

11:25 pm

ok

dean is adamant i won't leave school which makes me want to leave

i don't think i will

that's the only reason i want to now i think

Me

11:26 pm

he says that because he knows it annoys you

Josiah

11:26 pm

i know

Me

11:26 pm

it's a button

Josiah

11:26 pm

but still he would be surprised if i left

Me

11:26 pm

it would feel good for him

Josiah

11:27 pm

yeah

Me

11:27 pm

but he needs you

which isnt a reason

you dont/shouldnt care about that

but it is just a fact

he needs you or someone like you

not straight, not MAN, friends with Olivia, physical

Josiah

11:28 pm

he doesnt think of me as me just
not him

Me

11:28 pm

do you know my brother liam?

Josiah

11:28 pm

only vaguely

Me

11:28 pm

like just seen him

yeah

ok

well he is related to me

and i love him

-all the context you need

Dean thinks that Liam is exactly like him

Dean drew a penis on the window and Liam rolled his eyes

Liam is 12

13

Josiah

11:29 pm

yeah

liam is good

ive never talked to him but he is good

Me

11:29 pm

he is one of those people, aye

Josiah

11:29 pm

yeah

Me

11:29 pm

im biased but

Josiah

11:30 pm

no its true
river

Me

11:30 pm

yes
my dad threatened to put him up for adoption and never read a story to him at night
my dad always read to me and ethan

Josiah

11:30 pm

i think i confuse ethan

Me

11:30 pm

my dad kicked liam down the stairs

Josiah

11:30 pm

ive talked to him three times and one was at sports day and i think he was confused

Me

11:31 pm

why

Josiah

11:31 pm

i dont know

derek likes you and liam btw

Me

11:31 pm

how do you know

Josiah

11:31 pm

he wouldnt have talked to you the other day in calculus if not

Me

11:31 pm

i know

Josiah

11:31 pm

derek is so good

Me

11:32 pm

he is

Josiah

11:32 pm

i wonder what makes him want to teach

and more than that like

why he has taught here for 12 years

i think its just money for him

Me

11:33 pm

he likes breathing

Josiah

11:33 pm

yeah

Me

11:34 pm

if i get married, i think i want this song

it is sad

but it feels right

i know who im going to marry btw

Josiah

11:34 pm

i saw this album today

Me

11:34 pm

've bought it

Josiah

11:34 pm

Me

11:34 pm
